

Parent Guide to Using Schoology with MyPowerHub

Once you have your parent account all set up in **MyPowerHub**, you can connect **Schoology** to it. Connecting Schoology to MyPowerHub is not required, as you can always see basic info about assignments and assignment grades in your MyPowerHub tiles. But if you want more details, and/or a full parent Schoology account, follow the setup instructions below.

Note, D11 no longer uses Parent Access Codes for Schoology access! Once your MyPowerHub is active, you automatically have a Schoology account too! These directions will show you how to connect them.

1. Make sure you have an active parent account and can access MyPowerHub.
2. In a web browser (such as Chrome or Safari) go to **app.schoology.com**.
3. Instead of signing in, click on **Forgot your password**.

Sign in to Schoology

All fields are required

[Log in](#)[Forgot your password](#)[SSO Login](#)

4. In the window that opens, enter your email that you use for MyPowerHub.
5. Check that email immediately! The password reset link is only good for 10 minutes!
6. Reset your password through the link in the email. The new password must have at least 12 characters. *Please note that this password is only for Schoology. It will not affect your MyPowerHub password. You most likely will not log in with it much because once you link Schoology, you can access Schoology from inside MyPowerHub.*
7. Log into **MyPowerHub** from the D11 website.
8. To view assignments and access Schoology from MyPowerHub, open the calendar from the **menu on the left of the screen**. Note this is not the same as the calendar **tile** (which is basically just a schedule).

Calendar

[Today](#)[Month](#)[More details](#)[Assignment | Schoology](#)

9. Change the calendar view to **Month**, and then click on an assignment to open it.
10. On the bottom of the assignment that opens, click on **More details**.
11. To be routed to the Schoology parent view, click on **Go to assignment**.
12. To get to other courses and assignments from inside Schoology, Click on Courses or the **Schoology logo** in the top left.
