# HEADMASTER'S CENTENNIAL MESSAGE

MAINE CENTRAL INSTITUTE
*Founded 1866*
PITTSFIELD, MAINE

1 February 1966

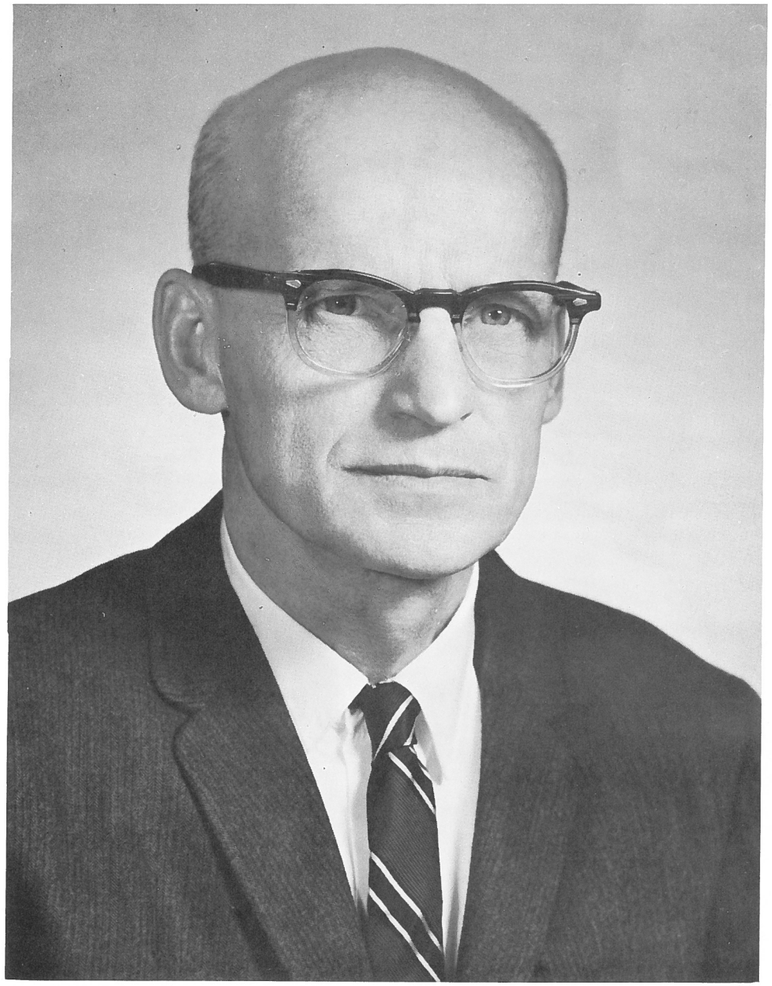

Dear Friends of MCI:

As MCI brings to a close a century of service to boys and girls and prepares to enter into its second century, it is proper to pause in reflection on all that has been accomplished. It is equally proper, I am sure, to take this opportunity to look forward in anticipation of all that may yet be accomplished in the new century ahead.

Founded to meet a recognized need for more and better educational opportunity in this Central Maine area and to extend these opportunities to any who might seek them from a larger area, the School has been remarkably constant in its devotion to the intent of its founders. Inevitably, its mission has been tered somewhat by the changing demands of a fluid society, but in general MCI is doing today what was set before it as its mission a century ago on this date.

Now it is time to look ahead - not to radical change, but to a continuation of the century old policy of keeping MCI abreast of the times and ready to meet each new demand as it arises. This all of us at MCI are prepared to do. We ask only the continued loyal support and faithful encouragement of all who are friends of this School and genuinely interested in seeing that it continues in its second century to render honorable service to its students.

Most sincerely,
Edward R. Stanley
Edward R. Stanley
Headmaster

# IN MEMORIAM

**Frances Cushing Piper**

**June 13, 1902 – November 13, 1965**

The students, faculty, and administrative officers of Maine Central Institute join in paying tribute to the memory of Frances C. Piper, whose untimely death on November 13, 1965 deprived this School of the services of a loyal and effective teacher. Joining the MCI faculty as instructor in English III and Chairman of the English Faculty in September, 1952, Mrs. Piper was constant in her devotion to her students and in her steadfast application to the highest standards of her profession. She will long be remembered by all who enjoyed the privilege of knowing her and working with her during her fruitful years at Maine Central Institute.

**Alton Wilson**

**May 18, 1898 – November 9, 1965**

With the passing of Alton Wilson on November 9, 1965, MCI lost the services of an effective and dependable member of its custodial staff. Mr. Wilson was a cooperative fellow worker to all who labor at this school – teachers, administrators, and custodians alike. His good work was appreciated, and his memory treasured.
