SKILLS TO PRACTICE

This month Akron Public Schools are focusing on these Portrait of a Scholar Skills: I am kind, I am respectful, I will learn every day, and I will be on time every day. Students can practice these skills by being helpful at school and at home, showing kindness, sharing, making new friends, listening, following directions, and taking turns. Trying new things every day and setting goals to be on time to school or following a schedule are other ideas for practicing.
