- ◇ Graduated from the University of Georgia
- ◇ From Marietta, GA
- ◇ Former Chemistry Teacher now IT Teacher
- ◇ I enjoy technology, video games, anime, and sci fi/fantasy media

PINNACLE PROJECT

Self directed student lead completion of a project that they are interested in.

Students are graded by Completing required steps including:

- ◆ A Research Proposal
- ◆ Progress logs of what they have completed
- ◆ Presentation in class of what they have completed
- ◆ Peer Feedback and review of the projects
- ◆ Public presentation of their completed project

How to be Successful in Pinnacle Project?

- ◆ Communication with the teacher
- ◆ Curiosity
- ◆ Questioning
- ◆ Focused work during class time
- ◆ Utilizing Flex Friday if behind

◆ LATE WORK:

- ◆ Same number of days as absent to turn back in
- ◆ 10 points beyond that date
- ◆ Will be a 0 if not done by the end of the current 4.5 weeks (within reason)

Support and Tutoring

- ◆ Office hours are by appointment from 8:15 – 8:45 am on Thursday.
Email me at heyinz@fultonschools.org to set up a time. I will also have help sessions on non-Profession Development Fridays.
- ◆ Students are also welcome to stay after school to work on projects, but I am less likely to be able to sit and help with tutoring due to TSA.
