Students who document 200 hours or more of community service throughout their high school career (prior to May 1st of their senior year) will be recognized at graduation with a Community Service Honor Cord. This recognition is sponsored by the Nathan Hale-Ray High School Chapter of the National Honor Society (NHS), though a student does not need to be an NHS member to receive this recognition. All community service hours must be submitted by May 1 of the year in which they are completed, unless prior administrative approval was granted.
