Our Story

Six years ago, Sierra Vista Wrestling looked very different.

We had a small roster, limited resources, and one simple goal: to **build a program our community could be proud of.**

Today, our wrestling room is home to more than 100 student-athletes and one of the fastest-growing girls wrestling programs in Nevada. Together, our athletes have earned regional championships, back-to-back team state championships, and countless individual accomplishments.

These trophies are not what define us.

Every day, our athletes learn how to lead, overcome adversity, support one another, and represent something bigger than themselves. They discover that success isn't built on talent alone, it comes from discipline, accountability, perseverance, and commitment.

Our wrestling room has become a second home for hundreds of young people. It's a place where confidence is built, lifelong friendships are formed, and futures are shaped.

That is what your partnership helps protect.

Why **Your** Partnership Matters

TRAVEL

Our athletes travel to some of the toughest tournaments in the western United States.

Competing against elite competition prepares our wrestlers for the postseason while creating unforgettable memories and life experiences.

EQUIPMENT

Safe, high-quality equipment allows our athletes to train at their highest level.

This includes mats, practice equipment, recovery tools, uniforms, and training supplies.

COMPETITION

Tournament entry fees continue to increase every year.

Your investment gives our athletes opportunities to compete against the best & represent Sierra Vista across the region.

NUTRITION

Proper nutrition and recovery improve performance and help reduce injuries.

Support helps provide healthy snacks, hydration, and recovery resources throughout the season.

FINANCIAL ASSISTANCE

No athlete should miss an opportunity because of financial hardship.

Your partnership allows us to quietly assist families when they need it most.

LEADERSHIP

Wrestling teaches discipline, accountability, resilience, and leadership.

Your support helps create experiences that prepare our athletes for success long after high school.

Every Investment Creates
an Opportunity.

Every practice.

Every tournament.

Every lesson.

Every memory.

Your partnership
makes it possible.

Looking For Something Different?

Every business is unique.

We're happy to customize a partnership that aligns with your goals while making a meaningful impact on our athletes.

Whether you'd like to sponsor a tournament, team camp, nutrition station, community outreach event, or another aspect of our program, we'd love to work with you.

Thank you for taking the time to learn about Sierra Vista Wrestling.

Six years ago, we set out to build something different. Not just a team that could win championships, but a program built on discipline, accountability, hard work, and family. A place where young men and women could be challenged, supported, and leave better than they arrived.

Today, we're seeing that vision come to life.

Our wrestling room is growing. Our athletes are competing at the highest level. More of our wrestlers are continuing their careers in college. Our girls program is thriving. Our culture is stronger than ever. And we're just getting started.

We're not satisfied with what we've accomplished. Our goal is to build one of the premier high school wrestling programs in the country, not just because of the championships we win, but because of the people we develop.

That kind of vision takes people who believe in it.

When you become a Mountain Lion Partner, you're doing more than sponsoring a team. You're joining a group of people who believe that investing in young people matters and that great communities are built by those willing to give back.

If that sounds like the kind of future you'd like to be part of, we'd be honored to have you alongside us.

Thank you for believing in our athletes and for considering becoming a Mountain Lion Partner.

I hope to shake your hand soon.
