# TSDS DATA SUBMISSIONS

PRODUCT OWNER TEAM

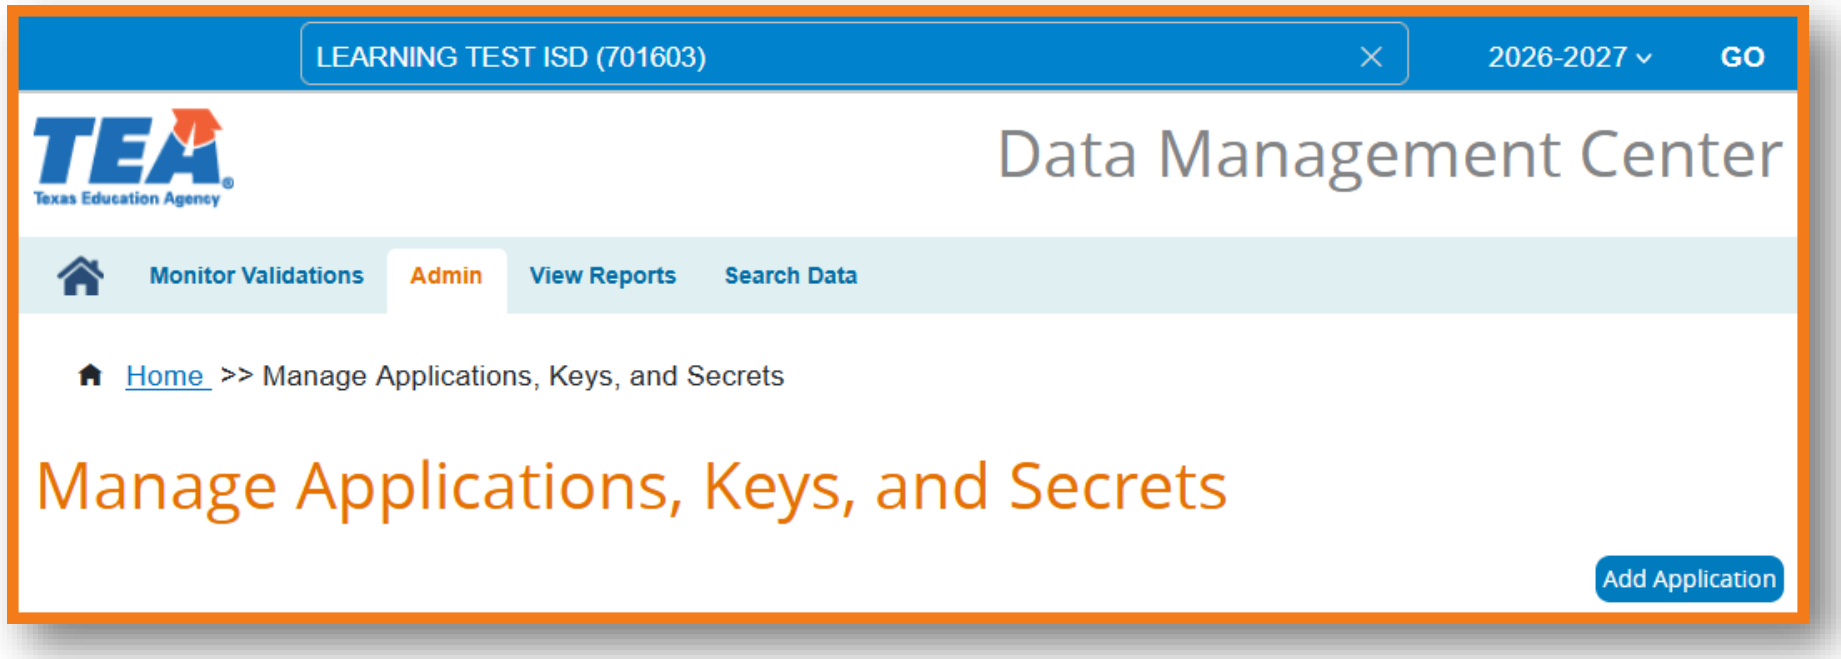

# 2026-2027: SETUP REMINDERS

- **DMC**
  - The DMC is year-based, just like the IODS.
  - School systems should utilize the **year dropdown selector** in the top right corner of DMC to switch between years.
    - Similar functionality is used in the PEIMS and Core applications.

# 2026-2027: SETUP REMINDERS

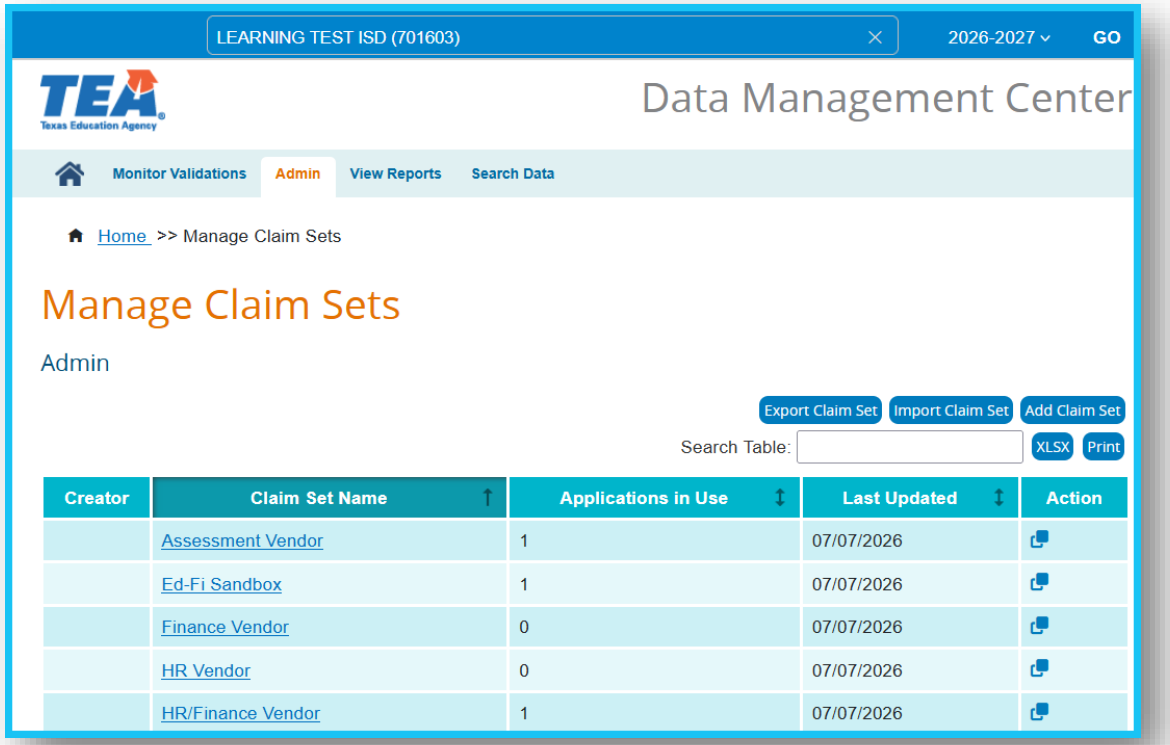

- **Keys & Secrets**
  - Existing Keys and Secrets were not migrated to the new year.
    - Existing Keys and Secrets will continue to allow publishing to the 2025-2026 IODS for the PEIMS Extended Year and PEIMS Working Submissions.
  - School systems and ESCs are required to **create a new Key and Secret** for each source system vendor application for the 2026-2027 school year.

# 2026-2027 SETUP REMINDERS

## Claim Sets

- Custom Claim Sets created by the school system were not migrated to the new year.
- These can be re-created or exported and imported within the DMC as needed.
- TEA-defined Claim Sets will continue to be available for the 2026-2027 school year.

## Charter School Waitlist Promotion Logic 2026-2027

Texas Education Agency

### Student > Enrollment (School Association)

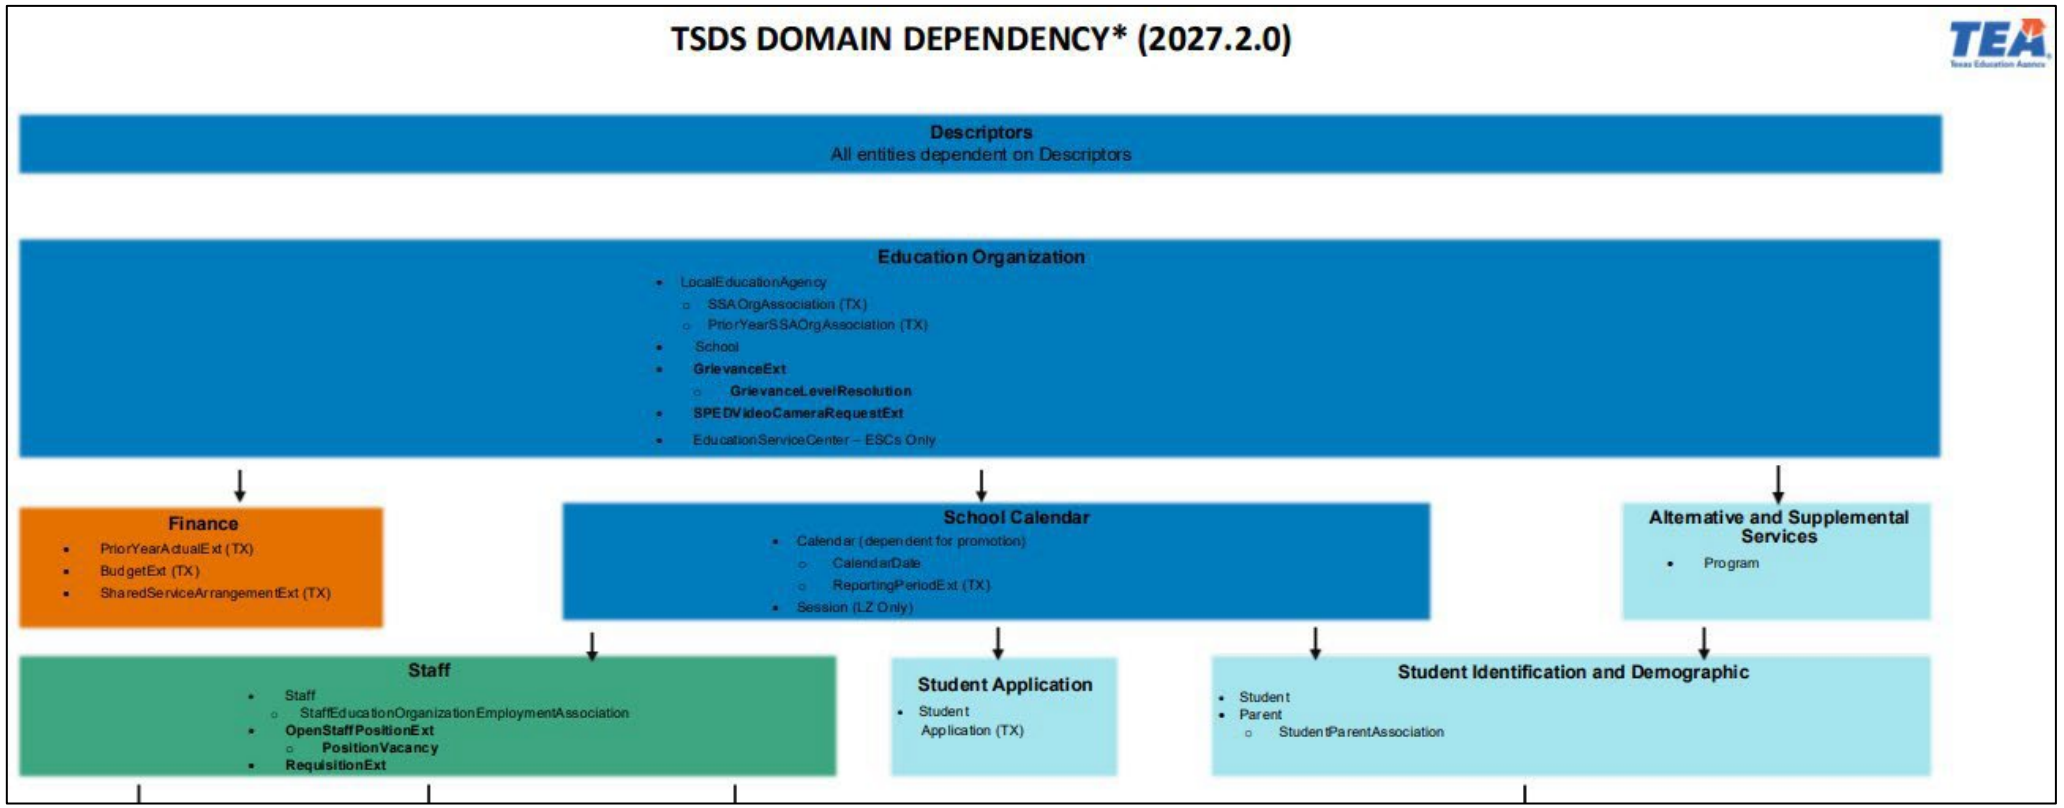

**Base Logic:** The system shall promote **Student Enrollment (School Association) subcategory** data

- WHERE ApplicationType = '01' (*Charter School Waitlist*)
- AND ApplicationDate is NOT blank and is on or before the Charter School Waitlist snapshot date (*Last Friday in September)*

| DOMAIN | ENTITY | DATA ELEMENT | PROMOTION LOGIC |
|---|---|---|---|
| Student Application | StudentApplication | EducationOrganization (*campus reference*) 🔑<br>E3079 StudentUId 🔑<br>E1517 EntryGradeLevel | Data is promoted as reported |

The key icon 🔑 indicates a data element that is used to uniquely identify a promoted record (called "primary key"). One or more key-designated data elements may be required to form the complete primary key. Records with matching primary key values may result in a data promotion error.

# 2026-2027 DOMAIN DEPENDENCY

# CENSUS BLOCK GROUP TOOL UPDATED

- Census Block Group Tool (CBGT) application, was updated for 2026-2027 on 09/01/2026
- You may need to uninstall your current CBGT tool and then downloadd and install from the TSDS application because the “Check for Updates” option does not work.
