Asbestos Management Plan

In accordance with Asbestos Hazards Emergency Response Act (AHERA), all Nassau BOCES school buildings have been inspected by an accredited inspector that identified accessible assumed or confirmed asbestos-containing building materials (ACBM). The findings of this inspection are located within the asbestos management plan. The management plan, as well as the most recent re-inspection, surveillance and response action clearance reports, are maintained in the office of each school building. A complete set is available at the Department of Facilities Services.

Pesticide Notification

New York State Education Law Section 409-H requires all schools to inform staff, parents and guardians that there is a potential for pesticides to be used periodically throughout the school year. Nassau BOCES is required to maintain a list in each school of staff or parents who wish to receive 48-hour prior written notification of non-exempt pesticide applications in that school. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, when notification is required, please contact your school's principal. If you have any questions regarding the pesticide notification requirements, you may contact the Nassau BOCES Safety Coordinator. Additional information may be obtained by calling the National Pesticide Information Center, 1-800-858-7378, or the New York State Department of Health's Center for Environmental Health Info Line, 1-800-458-1158.

Report Suspected Child Abuse and Neglect

New York State Education Law sections 101, 207, 409-I and Chapter 105 of the Laws of 2016, new subdivision (nn) is added to section 100.2, requires all schools to inform staff, parents and guardians where to report child abuse and neglect. Call the New York State Office of Children and Family Services (OCFS) at 1-800-342-3720, TDD/TTY: 1-800-638-5163 or video relay system 1-800-342-3720. For more information or to receive reports of child abuse or neglect, visit <http://ocfs.ny.gov/programs/cps/>.

Media Opt-Out

Throughout the school year, different media groups (television stations, local newspapers, school production classes, district communications staff, etc.) will produce stories, videos and photographs about activities and events happening in the Nassau BOCES schools. These articles, photographs and videos may be posted on the internet, aired on television and cable stations, or used in Nassau BOCES promotional materials and on its website and social media sites.

Parents who DO NOT want their child(ren) to be photographed or videotaped for news media or school publicity purposes should complete the "Media Opt-Out Form," which can be found at www.nassauboces.org/mediaoptout. Completed forms should be returned to your school's front office so the school has a record of your request.

Nassau BOCES photographers will make every reasonable effort to identify the primary subjects in photographs and to not publish photos containing students on the opt-out list. The "Media Opt-Out Form" will be in effect for the current school year and must be renewed annually.

This notification relates to classroom activities or events that occur during the school day that are not already open to the public. Public events such as athletic competitions, theatre productions, and those activities occurring outside the school day are considered open to the public and newsworthy and are therefore not subject to the parental opt-out.

Please feel free to contact the Nassau BOCES Communications Office at 516-396-2207 should you have any questions.

Note: This only applies to non-special education students in Nassau BOCES' programs.
