At First Tee – Gulf Coast, we're Building Game Changers by empowering kids and teens to be the best version of themselves.

By seamlessly integrating the game of golf with character-building, we create learning experiences that help kids uncover their inner strength, self-confidence, and resilience that they can carry to everything they do.

Our trained coaches not only provide an introduction to junior golf and an opportunity to enhance golf skills, but they also create a safe, supportive, and empowering environment to help your child prepare for life ahead, including friendships, school, college and even their careers.
