SEPTEMBER *AT ASP*

Hello Warrior parents and guardians!

We are excited for another month of After School Program activities! Students can continue receiving homework support, enjoying daily snacks, participating in enrichment activities, and spending time with their peers.

As we move further into the school year, we encourage students to take advantage of the support and activities available after school. We hope to provide a welcoming space where students can get help, try new activities, and connect with their peers.

We look forward to another great month with our Warriors!

Go Warriors!
