POMFRET

Route 44 Road Closure in Putnam, CT

Now through May 17, 2027

Visitors traveling to Pomfret School through Putnam should be aware that a section of **Route 44 (Pomfret Street) between High Street and Church Street**, near Cargill Falls Mill, is closed to all traffic while the Connecticut Department of Transportation replaces a retaining wall and reconstructs the roadway. The closure is expected to remain in place for the entirety of the school year, with a projected completion date of **May 17, 2027**.

If you are traveling to Pomfret from I-395 or downtown Putnam, please follow the posted detour around the closure via Kennedy Drive, Bridge Street, Woodstock Avenue, Recreation Park Road, and Sabin Street. At the end of Sabin Street, rejoin Route 44 and continue west toward Pomfret.
