Rachel Dial and Torrie Osbon joined Mr. Hurt in an educational break-out session about our partnership with Studer Education and how it has helped the district create a strategic plan and improve community relations. This is the second year in a row a Metcalfe County admin has presented. Last year, MCMS guidance counselor Candi Murphy hosted a break-out session.
- MCMS Principal LeAnne Bell represented Metcalfe County as part of the KASA ALI planning team.
- The district hosted new teacher training yesterday. We are very excited for our new staff.
- Action item 5B Consider Tax Rates Proposal is a vote to approve the proposal only. A vote to set the rates will be on the September board agenda.

- The MCHS Back-to-School Bash is Aug. 18th from 4-6pm.

- Picture day for MCHS is on September 1.
- Charlie Hawkins and his team recently competed at the Special Olympics Regional Tournament in Paducah and qualified for the state tournament.
- Senior formal photos took place yesterday at MCHS with a make-up date of October 1.

- Trade school begins tomorrow, and for the first time, MCHS will be sending three buses of students to trade school. Two buses will travel to Monroe County and one to Barren.
- Volleyball has been scrimmaging over the last couple of weeks and is gearing up for a great season.
- Football is in the same mindset and has scrimmages coming up in preparation for the new season.
- MCHS is ready to get students back in the building and get started with the 2026-27 school year.

LeAnne Bell – MCMS

- Three of the four MCMS Rogers Explorers completed their programs. Barrett Glass, Ariel Milton, and Sarah Gilley spent time on college campuses exploring new learning opportunities and participating in a variety of leadership projects in a variety of subject areas. Emryn Fultz, unfortunately, wasn't able to attend. We are proud of them and all of their hard work. We can't wait to see what they will accomplish in high school.
- The building is looking great with lots of new paint and a fresh look for the new school year.
- Teachers have been working hard on PD and getting classrooms ready for the new year.
- All teachers have been hired, along with a new assistant principal (Matt Reed).

- MCES had a successful Kindergarten Camp this week with 64 students attending. Students and parents were able to meet their teachers, tour the school, receive information about the school year, and have lunch in the cafeteria. Thank you to all of the teachers, aides, front office staff, janitors, cafeteria staff and FSD Beth Miller for making this day a success.
- Today, MCES hosted Hornet 360 day with all teachers and aides in the building. It was a great day to talk and plan about the upcoming year. It was wonderful to see everyone back in the building and the staff was eager to get to work.
- The MCES Back-to-School Bash is Aug. 18th from 12-6pm.

Rachel Dial – Instruction

- Classrooms are looking great. Our teachers and staff have been working extra hard getting everything ready for the first day of school.

Cheyenne Garmon – CFO

- In regards to the tax rate, the district recommends the board accept the 4%, which is 51.2 with exonerations of .1, which would make the total tax rate 51.3 cents per \$100 of assessed property value. That's down from 52.2 cents from the previous year. The motor vehicle tax would stay at 56.6. Tonight is a vote only on the proposal. A vote to set the tax rate will be presented at the September meeting.
- Regarding Action Item 5C FY 2027 Indirect Cost Rate, it has been adjusted to match the rate approved by the Kentucky Department of Education.

- Regarding Action Item 5G Review of Code of Acceptable Behavior and Discipline, which has to be updated every two years, we have updated the telecommunications section to reflect new board policies and procedures.

Matt Shirley – Facilities

- Maintenance crews have completed a lot of projects this summer, including the insulation/ventilation project at the high school. This should help with condensation and airflow.
- All of the parking spots on the lower campus have new stripes.
- Crews have improved landscaping across the campus, adding rock and mulch.
- Crews have made good progress on cleanup from the flooding/storm damage. Ditches and drains have been cleaned out. Updates to the baseball field are on hold until September.
- Ordered 18 new pole banners to be placed around campus.
- A new fence has been installed around the big playground at elementary.
- The first local planning committee meeting for facilities is scheduled for Sept. 2.

Board Chair Daniel Glass Addressing Concerns from last Board Meeting:

- This past year, all but four of our high school students graduated post-secondary ready, which is the one of the highest rates in school history.
- State test scores at the high school increased significantly last year, with MCHS receiving a green rating.
- The dropout rate was less than 1%, and only 2.7% of students in grades 4-12 were retained.
- The board, teachers, and staff are working hard to improve these numbers even further.
