School Background

Founded in 1942, Jesuit College Preparatory School of Dallas is a private Catholic secondary institution for young men rooted in the Ignatian tradition, emphasizing the development of the whole individual through its motto, Men for Others. The school aims to form men who are intellectually competent, religious, loving, committed to serving others, open to growth, and physically fit. Jesuit Dallas is accredited by COGNIA and was honored as a 2022 National Blue Ribbon School, recognizing its commitment to educational excellence.

Graduation Requirements (26.5 Credits)

Jesuit Dallas requires a four-year core curriculum in English, Mathematics, Science, Social Studies, and Theology, as well as three years of a foreign language (Spanish, French, Latin, or Mandarin). Students are required to complete a full year of computer science programming, fine arts, and physical education, in addition to 1 semester of Health Seminar and 1 semester of an elective of their choice.

Grading and Course Policies

Jesuit Dallas uses a standard letter scale (A, B, C, D, and F) and includes pluses or minuses on the scale (at right) to calculate and determine the 4.0 cumulative GPA.

AP and honors courses receive weighted consideration in the cumulative GPA calculation, with AP courses given a 1.0 weight and honors courses a 0.5 weight. Course placement in AP and honors courses is evaluated annually. Students may continue in or advance to AP or honors coursework based on established academic performance requirements and teacher recommendations. The maximum number of courses a student may take per semester is seven.

Community Service and Social Justice

Jesuit Dallas fosters students' relationships with Christ through community service and meaningful engagement with people experiencing poverty, vulnerability, and marginalization. During their senior year, students dedicate every Wednesday to partnering with a service agency in the DFW metroplex, completing over 100 hours of service. Many also participate in global service programs in Guatemala, Mexico, and Peru.
