Big Spring Junior High
School-Home Compact
2026-2027

Big Spring Junior High will engage, challenge, and empower every student every day. Big Spiring Independent School District- a learning community that fosters thinkers, contributors, competitors, and leaders who believe:

- Every student has worth, is capable of learning and can achieve high standards.
- Education and communication are the shared responsibility of the student, school, home, and community.
- Inspire each other and hold one another accountable in a safe, positive, supportive, and collaborative environment.
- All members of the school community are lifelong learners with high expectations, leading and encouraging each student in academic success.
- In the power of effective instruction, using sound research, data, and fidelity of practice.

In order to reach this goal, we will:
