RESNICK FAMILY CAMPUS

Off-Campus Parking Access

Find parking maps, rideshare locations, and campus-specific parking information before you arrive. Due to limited parking, we strongly encourage ridesharing and will have designated drop off zones.

Resnick Family Campus Parking

Parking on the Resnick Family Campus is available for those who have a state issued disabled person parking placard or license plate as space allows. You must have your High Holy Day tickets for every person in your car.

Rideshare | BEST OPTION

Due to limited parking, we encourage you to consider a ride service such as Lyft or Uber. We have a designated drop off and pick up point at Brentwood Sunshine Preschool located adjacent to the campus.

For rideshare pickup & dropoff please use:
Sunshine Preschool at 11942 Sunset Blvd
Ask rideshares/anyone dropping off to pull into the driveway off Sunset. They can enter where the Sunshine Preschool sign is, and exit at the other end.
