Online Registration Enrolling and Withdrawing Students

REGISTRATION

Registration is held at all schools during the school year and summer break. To register in school for the first time, a birth certificate, baptism certificate or other approved document is required by state law. Official immunization records must be submitted and reviewed before a student can be fully enrolled. Parents/Guardians' identification and proof of residency will also be requested at the time of registration. A copy of a utility bill or mortgage/lease agreements are valid documents for proof of residency.

ENROLLMENT

Parents/Guardians will be asked to complete the required online registration forms. All forms must be completed for every new student with the exception of those that are marked if applicable. Standard documents include the following:

- Medication Procedures and Rules (Informational Only)
- Enrollment Form
- Birth Certificate
- Primary Home Language Other Than English, PHLOTE
- Health Information Sheet
- Emergency Contact Information
- Records Request
- Documentation of Court Orders
- Arizona Residency Document Form
- Parent Acknowledgements and Permissions Form
- School and Parent Involvement Guidelines
- Form 506-Native American, if applicable
- Impact Aid Program Survey Form, if applicable
- McKinney-Vento Form, if applicable
- Open Enrollment Form (If necessary)

Please inform the school office of any changes in phone numbers and/or contacts as soon as possible. This will help us contact parents/guardians as quickly as possible when students are injured or sick.

Each school within Maricopa Unified School District is assigned addresses within certain boundaries. If a parent wishes to enroll a child in a school outside of those boundaries, an Open Enrollment form must be filled out annually. The acceptance or refusal of enrollment will be determined by the school and will be based on capacity.

IMMUNIZATIONS

Students will not be admitted without immunizations being current. Please see the Health Services Section for requirements.

PARENTAL CUSTODY

In most cases, natural parents shall be given reasonable access to their children at school and to their children's official records. Exceptions to this will be made in cases in which one natural parent has been awarded sole or partial custody of the child and there are certified court orders restricting the access rights of the other parent. The legal guardian must be responsible for notifying school officials of the conditions of the guardianship by providing the legal paperwork. In the absence of any court order, both parents have equal access to student information and their children.

MCKINNEY-VENTO HOMELESS ASSISTANCE ACT

If you need assistance due to homelessness, please contact MUSD at 520-568-5100 ext. 1029. Homelessness may occur if your family is living in any of the following situations:

- In a shelter
- In a motel or campground due to lack of alternative adequate accommodations
- In a car, park, abandoned building, or bus/train station
- Doubled up with other people due to loss of housing or economic hardship

Your school age children may qualify for certain rights and protections under the federal McKinney-Vento Act. Your eligible children have the right to:

- Receive a free, appropriate public education
- Enroll in school immediately, even if lacking documents normally required for enrollment
- Enroll in school and attend classes while the school gathers needed documents
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or in the school in which they were last enrolled), if that is your preference
- If the school district believes that the school you select is not in the best interest of your children, then MUSD must provide you with a written explanation of its position and inform you of your right to appeal its decision
- Receive transportation to and from the school of origin, if you request this and it is determined that it is in the best interest of your child
- Receive educational services comparable to those provided to other students, according to your children's needs

YEARLY RE-ENROLLMENT OF RETURNING STUDENTS

Every year Parents/Guardians will be asked to complete online registration, which must be updated annually.

- 1. Emergency Contact/Sign Out Information Form:**
Please provide the information requested. There must be someone listed on the form who can be contacted by telephone during the school day. This form is used by the nurse and the office to contact parents in case of absences, illnesses, or accidents. It is very important that phone numbers, places of employment, etc. are kept current. It is necessary to notify the office of any changes during the school year. An enrollment form will be sent home at the beginning of the school year to update any of your child's information.
- 2. Health Information Sheet**
- 3. Arizona Residency Document**
- 4. Parent Acknowledgments and Permissions Form**

Student Rights and Responsibilities

All students are entitled to enjoy the basic rights of citizenship that are recognized and protected by laws of this country and state for persons of their age and maturity.

Each student is obligated to respect the rights of classmates, teachers, and other school personnel. District schools shall foster a climate of mutual respect for the rights of others. Such an environment will enhance both the educational purpose for which MUSD exists and the educational program designed to achieve that purpose.

All district personnel shall recognize and respect the rights of students, just as all students shall exercise their rights responsibly, with due regard for the equal rights of others and in compliance with the rules and regulations established for the orderly conduct of the educational mission of MUSD. Students who violate the rights of others or who violate rules and regulations of MUSD or of their school are subject to appropriate disciplinary measures designed to correct their own misconduct and to promote adherence by them and by other students to the responsibilities of citizens in the school community.

The following basic guidelines of rights and responsibilities shall not be construed to be all-inclusive, nor shall it in any way diminish the legal authority of school officials and the Governing Board to deal with disruptive students.

RESPONSIBILITIES

- Students have the responsibility to complete all course assignments to the best of their ability and to complete make-up work after an absence.
- Students have the responsibility to help maintain the cleanliness and safety of the school buildings and property.
- Students have the responsibility to present themselves in class at the prescribed time and with the necessary materials.

RIGHTS

- ✓ Legal guardians or authorized representatives have the right to see the personal files, cumulative folders, or transcripts of their children who are under the age of eighteen years. School authorities may determine the time and manner of presentation of this information.

- ✓ Students shall not be subjected to unreasonable or excessive punishment.
- ✓ Students have the right to be involved in school activities, provided they meet the reasonable qualifications of sponsoring organizations, state organizations, and school regulations.
- ✓ Students have the right to express their viewpoints in accordance with ***Policy 5-301 Student Freedom of Expression***.

District/School Information

CLASS FEES

Additional fees may apply to specific elective courses. If a student transfers from a course where a fee is applied and paid, a refund must be requested within 30 days by a Parent/Guardian.

CLOSED CAMPUS

All MUSD campuses are closed campuses. Students are to remain on campus from the time of arrival in the morning until after their last class of the day. If a student is off-campus without permission, this is an off-campus violation and will result in disciplinary action. Food deliveries are prohibited. Students may bring their lunch or utilize the cafeteria.

NON-STUDENTS

For reasons of security, only current year students are permitted on campus during the school day and after school. Parents and others wishing to conduct official business must report first to the administrative offices. All others will be deemed as trespassers and are subject to arrest. **A.R.S. 13-1501.**

CONFERENCES

Parent/Teacher conferences may be scheduled with the student's teachers as needed during the school year.

COUNSELING SERVICES

Counselors are here to assist students, teachers and parents with school and

social matters. Please urge your students to contact their counselor when academic or social concerns impede learning. Counselors are available by appointment, phone or email to answer questions and discuss concerns from parents.

JAKE'S LAW

Jake's Law allows schools to help connect students with community behavioral health providers when extra support is needed. Parents must give permission each year for their child to be referred, and they can change their decision at any time.

DAILY ANNOUNCEMENTS

Publication of campus announcements will vary by site.

DANCES

Students must show their valid MUSD School ID in order to enter a dance; those who arrive without their current year ID will not be allowed entrance. High School students may invite one guest to Homecoming, Prom, and other school dances. A guest pass application must be obtained through administrative offices and is due back to the office no later than one week prior to the dance. Failure to meet the deadlines will result in a denial of the request. Guests must provide a copy of their current school or state issued photo ID and must be in high school (grades 9-12), or have graduated from MUSD no longer than one year previous. Anyone 21 or older will not be allowed access to MUSD dances. All dance attendees are subject to the same dance regulations as MUSD students. In addition, students with outstanding school fees, fines, or charges will not be permitted to attend school dances.

Prom only: Guests who do not meet the standard guest requirements will be considered on a case by case basis. Students with a disciplinary record while enrolled in another school or previously enrolled in Maricopa High School may be denied admission to dances.

EARLY RELEASE STUDENTS

Students who qualify for an early release schedule must sign a contract of understanding and cannot be on campus more than 10 minutes after an early release. Students with an early release may not return to campus to ride the school bus for transportation. Students found on campus in excess of the 10 minutes may be subject to disciplinary action and a schedule change to revoke the early release or late start status. Students involved in after school activities must make arrangements to return to campus at the conclusion of the regular school day. All early release and late start students are required to register their vehicles and purchase the parking pass decal in the bookstore.

FERPA

The Family Educational Rights and Privacy Act (FERPA) is a complex federal law that protects the privacy interests of parents and students with regard to educational records. Generally, FERPA gives parents the right to inspect and review their children's educational records, request amendment of the records, and have some control over the disclosure of information from the records. When a student turns 18, FERPA classifies him or her as an "eligible student" and transfers the rights under the Act from the parent to the student. FERPA requires school districts to notify parents and eligible students annually of their rights under the Act. When you turn 18 years of age, you have the right to your FERPA records. Please refer to the MUSD High School Course Catalog for further information regarding FERPA rights. Please refer to the [MUSD Programs & Course Description Book](#) and Policy [5-303](#) and [5.303.b](#) found in the District's Governing Board Policy Manual for more information about FERPA.

FUNDRAISING

The principal and student council must approve all fundraisers prior to the activity.

STUDENT IDENTIFICATION CARDS (ID)

All students are to carry their school issued student photo ID card issued by each school site at all times while on campus. Students will be **REQUIRED** to show/use their ID cards for the following:

- Show any/all staff for purposes of safety
- Show bus drivers for transportation access to and from school
- Scan for access to lunch accounts in the cafeteria

- Scan for book check-out in the library
- Scan for book check-out in the bookstore
- Show for purchase of a student parking decal – High School only
- Show for verification to pick up confiscated items in the office
- Show as verification of early release or late start status (only seniors who qualify)

A free student ID is available the first weeks of school or within two weeks of enrollment. The ID must always be legible, and in its original condition. If an ID is found to be defaced or damaged, the ID will be confiscated and the student will be required to purchase a new ID. A lanyard will be provided for the first ID only. Students who fail to comply will be subject to disciplinary action and denial of services. If the card is lost, stolen, or damaged there is a \$3.00 replacement fee, to be paid through the bookstore.

LANGUAGE TRANSLATION SERVICES

Language translation services are available for Parents/Guardians during meetings with school staff members. Parents/Guardians needing this service should inform the teacher or the school office staff. Requests must be made 10 school days in advance.

LOCKERS

Lockers at the High School are the property of MUSD. Students may have access to a locker if needed. Students have no expectation of privacy for anything stored in a locker and all lockers are subject to search by district personnel at any time. Lockers may only be secured with school issued locks. Personal locks will be removed. All lockers must be cleaned out prior to the end of the school year.

LOST AND FOUND

Lost and found is located in the High School Bookstore. Students should check the Bookstore before school, during lunch, or after school to claim lost items. We encourage you to label all clothing, musical instruments and other personal items. All unclaimed items are donated to charity at the end of each quarter.

MILITARY

If a student chooses to not have their information shared with the military services, please submit a letter to the counseling office.

MONEY

Students should never bring large amounts of cash to school. School personnel will attempt to locate any lost money, but the person bringing money to school is responsible for it. The school will not be held liable for missing or stolen money that a student brings to school.

PARENTVUE/STUDENTVUE PORTAL

The ParentVue portal allows Parents/Guardians to view the school information and information about their child, including grades and attendance. The information is accessed directly from the student records system, Synergy, so the records are always up-to-date. While the website is accessible through the internet, access is secured via a logon and password. Parents can only see information about their own child/children, and cannot see the records for other students. Parents/Guardians must provide identification, have educational rights, and supply valid email addresses to the school in order to obtain the activation code for access to the portal.

PETS AND OTHER ANIMALS

For the safety of all students, please do not bring pets on campus, including during arrival and dismissal. Pets may NOT be brought to the classroom without prior permission from the principal. Animals cannot be transported by school buses. If a pet follows a student to school, the office will contact the student's home to arrange for pet pick up. If the parents cannot be contacted, then animal control will be notified.

RETURNED CHECK POLICY

Checks are gladly accepted by Maricopa Unified School District 20. Payment will need to be made in cash or money order for any checks returned unpaid to MUSD.

SCHOOL PICTURES

A commercial company takes individual and group photographs in the fall and spring. Packets of color photos will be offered for sale to parents. Students may wear dress clothes for the fall formal pictures if staying within the appropriate dress code guidelines.

SIGNS AND POSTERS

Clubs and organizations or persons desiring to display posters must have authorization by the Activities/Facilities Director. All posters, decorations, and tape must be removed by 6:30 a.m. the school day following the activity. Publicity for election campaigning must follow the rules of good taste. Posters can only be placed in designated areas attached with painter's tape to minimize damage to paint. Posters cannot be placed in the center window of the doors.

STUDENT ATHLETIC PASS - HIGH SCHOOL

A Student Athletic Pass is available at the beginning of each school year for a cost of \$35.00. This pass entitles students to free admission to home athletic events. This pass does not include state playoffs, invitationals, band & choir concerts, or school dances.

STUDENT DELIVERIES

Deliveries for students will not be accepted at school (food, floral arrangements, balloon bouquets, etc.)

STUDENT FEES, FINES AND CHARGES

Students may be held responsible and accountable for loss of or damage to school property, including textbooks and library books. For purposes of this regulation, the term "loss" includes a student's failure to return school property at the conclusion of a semester or course or by the date established by school site administrators. In accordance with Arizona law [A.R.S. 15-727](#), MUSD will hold students using the textbooks, subject matter materials, supplementary books and instructional computer software responsible for the damage or loss of those item(s). If a student for any reason requires a second copy of a textbook, subject matter materials, supplementary books and instructional computer software, the student will be required to reimburse MUSD for the cost of those item(s). MUSD will use all monies obtained for lost or damaged items for the purpose of new textbooks, subject matter materials, supplementary books and instructional computer software.

The following penalties or consequences may be imposed upon a student that loses a school owned textbook/technology, subject matter material and supplementary books. A student who is a graduating senior may not be permitted to participate in commencement ceremonies. In addition, students with outstanding school fees, fines, or charges will not be permitted to attend dances. MUSD may file a complaint against the parent or adult student seeking damages for the lost item(s).

HIGH SCHOOL STUDENT PARKING

All students who wish to park in the student designated parking areas are required, by policy, to register each vehicle in the bookstore. Students are not permitted to park in lots not designated for student parking. The parking application is available in the Bookstore. The annual fee for parking is \$30.00. The decal must be placed in the inside top left corner of the windshield. There is a \$10.00 cost fee to replace a decal.

Students are allowed to use designated parking as a convenience. All cars parked on campus are subject to search by district personnel at any time. Students have no expectation of privacy for anything stored in their vehicles on school grounds. **Desert Wind and Maricopa Wells Middle School students are not permitted to drive a motor vehicle to school.**

Parking Rules: Loss of parking privileges may result from, but are not limited to the following:

- Failure to register and display a valid current year parking decal
- Excessive speed
- Driving recklessly
- Transporting alcohol, illegal substances, or dangerous weapons
- Leaving campus without permission
- Transporting students off campus who should otherwise be on campus
- Exhibiting other unsafe or disruptive behaviors
- Violation(s) of littering

Students park at their own risk and are subject to consequences at the owner's expense (i.e. revocation of parking permit, wheel clamps, or

towing) for violations of parking/driving regulations. MUSD is not responsible for vehicular damage, theft, loss of property or expenses/damages while parked on campus.

TELEPHONES

Teacher telephones are business phones and are not available for student use. Students may use the front office phone for urgent calls if needed, but will not be called out of class for phone calls. Calls to teaching staff during the academic day will be forwarded to voicemail.

3-203 © VISITORS TO SCHOOLS

All visitors must sign in at the school office and wear the visitor's pass at all times. Parents who wish to visit classrooms or shadow their student, must make an appointment with site administration at least 24 hours in advance to ensure accommodations in each classroom. We encourage all parents to become official volunteers through the MUSD Volunteer Program.

In order to ensure limited disruption to instruction and the learning environment, the building administrator reserves the right to limit the length of time as well as the date and time of day when the prearranged visit is to occur. The board and administration will not tolerate any person or persons whose presence disrupts classes, school activities or hinders the instructional process. If such persons will not leave the school premises upon request, the building principal, or his or her designee, may contact the proper legal authorities.

Student Expectations

ALTERNATIVE SCHOOL ASSIGNMENT

Under Arizona law a school district may reassign a student to an alternative education program if the student refuses to comply with school rules, refuses to pursue the required course of study, or refuses to submit to the authority of teachers, administrators or the Governing Board. A student can also be reassigned if he/she threatens an educational institution as defined in [A.R.S. 13-2911](#).

ASSEMBLY CONDUCT

Spirit assemblies are provided to students as an opportunity to celebrate campus successes and build school spirit. Students are required to sit in the section provided for the class and adhere to the MUSD Code of Conduct at all times. Students who do not conduct themselves properly will be referred to administration for discipline.

ENFORCEMENT OF SCHOOL RULES OFF CAMPUS

School rules and other reasonable expectations of appropriate student behavior are extended to include student conduct while off campus during the regular school day. This includes student conduct while traveling to and from school, during lunch and release times. School authorities may discipline a student for any misconduct while off campus during these times. School rules will be enforced for all school events on or off district property. Disciplinary action will be imposed for improper conduct off campus that is found to be connected with incidents on campus. In accordance with Policy

[5-305](#), students may be subject to disciplinary action when they are believed to have or actually have committed a crime, regardless of school hours, if the conduct is deemed to affect the school order.

HALL PASSES

Students are expected to remain in class during the entire instructional period. Restroom passes will be provided to students as needed, understanding that instructional time is valuable and will be limited unless necessary. When a student receives permission from a teacher to leave the class, they must sign out and take the school issued teachers hall pass. Other passes will not be accepted. A student with no pass will be considered out of class without permission and may be subject to disciplinary action. It is the expectation that students utilize passing periods to use the restroom. Students with health conditions/concerns must provide the health office with proper documentation if needed.

SEARCH AND SEIZURE

School administration or their designee have the right to search students and seize property including school property temporarily assigned to students when there is reasonable suspicion to believe that some material or item is detrimental to the health, safety, and welfare of the student(s) and is in their possession or control. Searches may include student's personal property such as backpacks or pockets. Any search will be reasonable in scope and not excessively intrusive on the student.

considering the age, gender, and nature of the infraction. Items provided by the school for storage (P.E. lockers, desks) of personal items are provided as a convenience to the student and remain the property of the school and are subject to its control and supervision. They may be inspected at any time, with or without reason, or with or without notice by school personnel. Administrative searches are random searches not based on specific suspicions. Administrative searches will be conducted by school administrators or their designee as deemed appropriate. Students who use, possess, or sell substances that they represent as being drugs may be subject to [Policy 5-304](#).

STUDENT GRIEVANCES

Students may present a complaint or grievance regarding one or more of the following:

- Violation of the student's constitutional rights
- Denial of an equal opportunity to participate in any program or activity for which the student qualifies unless said denial is related to the student's individual capabilities
- Harassment of the student by another person
- Concern for the student's personal safety
- Intimidation by another student
- Bullying by another student

Provided that:

- The topic is not the subject of disciplinary or other proceedings under other policies and regulations of this District
- The procedure shall not apply to any matter for which the method of review is prescribed by law, or the Governing Board is without authority to act

DUE PROCESS

Students in MUSD have rights, and in disciplinary cases, students are entitled to due process. This means students:

- Must be informed of the accusations against them
- Must have an opportunity to accept or deny the accusations
- Must have the factual basis for accusations explained to them
- Must have a chance to present an alternative factual position if the accusations are denied

GUIDELINES

- The accusation must be made within thirty calendar days of the time the student knew or should have known that there were grounds for the complaint/grievance
- The complaint/grievance shall be made only to an administrator or professional staff member
- The person receiving the complaint will gather information for the complaint
- The person receiving the complaint shall preserve the confidentiality of the subject, disclosing it only to the appropriate school administrator or next higher administrative

supervisor or as otherwise required by law

- All allegations shall be reported on forms with the necessary particulars as determined by the Superintendent
- Any question concerning whether or not the complaint/grievance falls within this policy shall be determined by the Superintendent
- Complaints by students may be made only by the students on their own behalf
- A complaint or grievance may be withdrawn at any time. Once withdrawn, the process cannot be reopened if the resubmission is longer than thirty calendar days from the date of the occurrence of the alleged incident. False or unproven complaint documentation shall not be maintained
- Retaliatory or intimidating acts against any student who has made a complaint under this policy and its corresponding regulations, or against a student who has testified, assisted or participated in any manner in an investigation/relating to a complaint or grievance, are specifically prohibited and constitute grounds for a separate complaint
- Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant district policies shall be followed
- When District officials have a reasonable belief or an investigation reveals that a reported incident may constitute an unlawful act, law enforcement authorities will be informed

5-302 © Student Dress

MUSD encourages students to take pride in their attire as it relates to the school setting. Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health and welfare or safety and others.

MUSD recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference, and as such, will not interfere with the right of students and their Parents or Guardians to make decisions regarding their appearance, except when their choices affect the educational program of the school or the health and safety of others.

Student dress shall:

- Not present a hazard to the health or safety of the student or to others in the school. Jewelry shall not be worn if it presents a safety hazard
- Not materially and substantially interferes with school work, create disorder, or disrupt the educational program
- Not cause excessive wear or damage to school property
- Clothing, accessories, and/or jewelry may not state, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification
- Students must wear a shirt with pants or skirt or the equivalent (dress, leggings, shorts)
- Clothing must not be see-through and must cover a student's undergarments, chest and torso, when standing or sitting
- Shoes must be worn at all times. Closed shoes are to be worn for any type of physical activity, such as physical education, etc.
- Students may wear clothing, accessories, and jewelry that display religious messages or religious symbols in the same manner and to the same extent that other types of clothing, accessories and jewelry that display messages or symbols are permitted
- Subject to the above, no hats, bandannas, other head coverings, or sunglasses, may be worn in a classroom or school building, except for properly approved occupational safety headgear required for special classes or if authorized by a school administrator or authorized/prescribed by a medical professional. Hats and sunglasses may be worn outside.
- Students may not wear clothing, accessories and/or jewelry with images, symbols, slogans, words or phrases that are profane, discriminatory or defamatory or that is worn with the intent to convey affiliation with a criminal street gang as defined in [A.R.S. 13-105](#). Obscene language or symbols, or symbols of drugs, sex, or alcohol, on clothing are prohibited.

- » Exceptions for special activities or health considerations may be preapproved by the administrators. The school administration retains the final discretion to determine that the garment or accessory meets the secondary dress code. Some exceptions may be made for uniforms, formal attire, and/or spirit days
- » Students who participate in extracurricular activities, including athletics, band, choir, etc. are subject to the standards of dress and defined by the sponsors of such activities

DRESS CODE CONSEQUENCES

Students who are deemed to be in violation of the dress code will be removed from the classroom and provided one opportunity to comply (change, remove item, call parent). All violations will be documented and are subject to disciplinary action.

1st Infraction: If suitable clothing is not available through the school, a parent/guardian will be contacted to supply needed clothing so the student can continue with their academic day.

2nd Subsequent Violation: Students will be subject to site based disciplinary action, which may include parent pick up

Academics and Special Programs

Exceptional Students Program

Students being considered for special education placement are screened, evaluated, and placed by a multidisciplinary evaluation team. Special education programming at each school is implemented by an ESS teacher, who works directly in the special education classroom and/or general education with exceptional students and in consultation with regular classroom teachers to help better meet each student's identified needs as outlined in their IEP.

MUSD also has special programming classrooms that specialize in instruction for students with greater special education needs as identified in their IEP. These specialty programs may not be available at the student's home school location.

Parents of special education students share in making the decisions concerning their children's evaluation, placement, and program development as part of the IEP team. Parent information meetings are held as needed.

Section 504

The Rehabilitation Act of 1973, commonly referred to as "Section 504," is a federal statute that prohibits discrimination against persons on the basis of disability by institutions, such as Maricopa Unified School District, that receive Federal financial assistance. It states:

- No otherwise qualified individual with a disability shall solely by reason of her or his disability, be excluded from the participation in,
- be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

Section 504's purpose is, among other things, to assure that students with disabilities have educational opportunities and benefits equal to those provided to students without disabilities. Responsibilities of school districts under Section 504 include Child Find, Evaluation, Free Appropriate Public Education, Placement, and Procedural Safeguards. An eligible student under Section 504 is a student who has a physical or mental impairment that substantially limits a major life activity. If a student is covered by Section 504, Maricopa Unified School District must provide a Free Appropriate Public Education (FAPE), including accommodations when necessary to ensure that the student has equal access to services, programs, and activities offered by our schools.

FINAL EXAMS

Students may not take semester final exams prior to the date/time they are scheduled. Students with excused absences during semester final exams will receive a zero for any final exam missed and are required to make arrangements with their teachers within the first two weeks of the following semester to complete each exam. Once the exam is administered, the zero will be converted to a score and a grade change will be completed.

SECONDARY GRADING EXPECTATIONS

Grades within the secondary schools are weighted in the following categories:

HOMEWORK AND MAKE-UP WORK POLICY

Students are responsible to make arrangements with their teachers to complete missed work for absences or suspensions. For each day absent excused, the student has an equal number of days to make up work. Failure to do so may result in a failing grade or no credit in the course. In cases involving an extended absence of more than three days, parents should arrange with the teachers to have work submitted to the office for pick up.

MIDDLE SCHOOL AWARDS AND STUDENT RECOGNITION

Desert Wind and Maricopa Wells recognize and celebrate students who excel in academics, athletics, and who demonstrated excellent character.

GIFTED AND TALENTED PROGRAM

MUSD's Gifted Program aims to offer a broad base of experiences to our gifted students. By providing a qualitatively different curriculum, this program facilitates the growth of students as independent, life-long learners, with the development of skills, concepts, and positive attitudes with the cognitive, emotional, and social domains considered. A major goal of the curriculum is the teaching and practice of critical thinking skills. For more information, contact: Maricopa Unified School District Office.

SECONDARY STUDENT CLUBS

Students are encouraged to take part in an established extra-curricular club and/or determine if they would like to create a club. Clubs will vary from year to year, based on student interest, but some long-standing clubs include:

- American Indian
- Asian-American Association
- DECA
- JSA
- NHS
- Copa Closet
- Clubs at the middle school level will be established based on student interest

Report cards are available online through Parent VUE at the conclusion of each semester. Progress reports/quarter grades will be available online through Parent VUE. EXTRA-CURRICULAR ACTIVITY ELIGIBILITY

All interscholastic activities in grades six-twelve that are 1) of a competitive nature and involve more than one school when a championship, winner, or rating is determined and 2) endeavors for which no credit is earned in meeting graduation or promotion requirements that are of a continuous and ongoing nature, organized, planned, or sponsored by the District, consistent with District policy, shall be conducted under the provisions of this policy.

Such activities will be established and designed to offer students worthwhile athletic and leisure-time interests, wholesome recreational and social activity, and an opportunity to develop skills in democratic and cooperative management for these activities. These programs will be appropriate to the maturity of students and as varied as staff and facilities permit. All such activities conducted under the auspices of the District shall be under the direct supervision of the certificated individual responsible for the activity. It is necessary to have the extracurricular activities function within a realistic framework of control. In order that overenthusiastic students do not place a social or athletic function on a higher plane than the academic program, the following policy will be adhered to:

NATIONAL HONOR SOCIETY: Students who have been inducted in the society will be recognized with a gold NHS stole.

- Students who, upon having their work checked on a cumulative basis at the end of each nine-week grading period, show that they are not working to capacity and have one or more failing grades will be removed from any athletic teams or extracurricular activities. After improving their respective grades such that they are passing on a cumulative basis, they shall be reinstated to the teams or extracurricular activities until a subsequent check is performed unless ineligible for some reason other than academic performance.
- The eligibility criterion for extracurricular participation shall be a passing grade in all classes in which the student is enrolled, and the student shall maintain progress toward promotion or graduation.
- The responsibility for notification of students and parents of these requirements and for enforcement of the above rule rests with the Superintendent.

Students and the parents/guardian shall be notified of ineligibility in a manner such that confidentiality is maintained when:

- Ineligibility is pending.
- Ineligibility is determined to be necessary.

Support services shall be made available to students who become ineligible for extracurricular programs as well as to students notified of pending ineligibility.

- Students whose behavior presents a problem or jeopardizes school discipline may be ineligible for participation in extracurricular activities until such time as their behavior warrants reinstatement. The same general standards shall apply for special education students except that such eligibility shall be determined on a case-by-case basis in relation to the respective students' individual education programs.
- The Superintendent shall consult with and invite comment on this policy from parents and teachers and shall make recommendations to the Board regarding this policy, as necessary, after considering such comments. The Board, as a part of the procedure for adoption of this policy, shall hold a public hearing on the contents of this policy. A school district Governing Board, a charter school or an interscholastic athletic association of which a school district Governing Board or charter

school is a member may not prohibit a pupil from wearing a religious or cultural accessory or hair piece while participating in an extracurricular or athletic activity if the accessory or hair piece does not jeopardize the health or safety of the pupil or any other person participating in the activity, as determined by the supervisor of the extracurricular activity or the officiant of the athletic activity.

The Superintendent shall establish regulations to ensure that:

- Necessary documents in support of this policy are maintained.
- Necessary data related to ineligible students are collected and reported as required by law.
- The cultural traditions of students are considered when establishing or enforcing rules related to participation in extracurricular activities.
- The requirements of this policy are met.

The Superintendent may develop additional rules or procedures for the proper conduct of extracurricular programs and the implementation of the provisions of this policy.

SCHOOL PROPERTY

Furnished textbooks/technology, library books, athletic uniforms and equipment are the student's responsibility. If school property issued is lost, stolen or damaged, the student will be expected to pay for the replacement. Students are encouraged to pay these charges with cash, check or money order. In cases of hardship, students may be allowed to arrange a payment plan. Under Arizona law, parents are liable for damage done to school property by their children.

STUDENT COUNCIL

Student Council is an important part of the school. Student Council is an organization through which the students may express their opinions and assist in the functions of the school. Student Council promotes leadership and initiative. A president, vice-president, secretary and treasurer of the student body are elected to represent the student body during the school year. Grade level representatives are elected to the council. Groups and individuals who wish to sell products on campus must be officially recognized school organizations, and must have the sale approved by the student council. All funds collected must be deposited in the school's student funds account.

LUNCH

High school students are **REQUIRED** to scan student ID cards to access their lunch account. Food is only permitted in the cafeteria, outdoor dining area(s) and other designated eating areas during lunch. All students are expected to model good citizenship and dispose of lunch trays and other trash in the receptacles provided; failure to comply will result in disciplinary action.

- NO outside food is allowed during breakfast and/or lunch serving times. Students may bring their own lunch or utilize the cafeteria only
- Students are not permitted to leave campus during lunch at any school within the district. If a student needs to leave during lunch, a parent must pick them up and sign them out in the front office.
- Students who are found to repeatedly litter will face disciplinary action

Lunch accounts can be established in the cafeteria (cash or check) and accessed by the student using their student ID number. Deposits to accounts may be made in the cafeteria or by going to www.linqconnect.com.

Federal applications for free and reduced lunches are available at www.linqconnect.com. Forms must be filled out every year. Students who were in the program the previous school year will be carried for 30 days in the new school year. For questions or further information, please contact the Child Nutrition Department at childnutrition@musd20.org or **520.568.5100**.

PAYING FOR LUNCHES

Students are expected to pay for lunches provided by the school and will be allowed up to three charges. The cafeteria will send up to two written reminders to Parents/Guardians and will then call home if there is no response to the letters. After the third charge, the child will receive a sandwich, a serving of fruit and a drink until the account balance is cleared.

There are several ways for Parents/Guardians to pay for meals and weekly/monthly payment is encouraged. Parents will be able to prepay for meals at the school or online. Student transactions will also be available to parents online.

- You may send money with your child in the form of cash, check (\$25.00 returned check fee) or money order to be paid directly to the school cafeteria
- You may go to the school, get a visitor's pass, and go to the cafeteria yourself to pay on your child's account.
- You may pay online with www.linqconnect.com (information is available at school offices and from the cafeteria)

If you need to check the balance of your child's account you may:

- Contact the school cafeteria at any time during cafeteria business hours (usually from about 7:00am to 1:00pm)
- Use www.linqconnect.com free of charge – This allows 24-hour access to check the balance of your child's account and/or to review daily meal transactions. You may also set up a free email reminder for low balances online and the website will work with any cell phone web browser as well.

High Schools and Middle Schools offer a snack cart to students during lunch periods.

LOCAL WELLNESS POLICY

Council Membership

The Superintendent (or designee) will convene the DWC, facilitate development of and updates to the Local Wellness Policy (LWP) and ensure each school's compliance with the policy. The names and contact information of the superintendent (or designee) and the council members will be made readily available to the public.

The DWC membership for the district includes:

- Nutrition Director
- Nutrition Manager

ACCOUNTABILITY

Triennial Assessment

At least once every three years, the district will assess the LWP by measuring the following:

- the extent to which the LWP meets the requirements of the final rule
- the extent to which schools under the jurisdiction of the district are complying with the LWP
- the progress made in attaining the goals of the LWP
- the extent to which the LWP compares to model local wellness policies

Documentation

The district will retain records to document the presence of and compliance with the LWP, including but not limited to the following:

- the current and previous board-approved LWP
- documentation demonstrating that the LWP has been made available to the public
- documentation of the most recent district- and school-level assessments of implementation
- documentation of efforts to review and update the LWP, including who was involved and how the district made stakeholders aware of their ability to participate

Policy Updates

The district will update the LWP based upon the following:

- the results of the triennial assessment
- district priorities
- community needs
- the results of school health assessment
- school-level implementation progress
- emerging scientific information
- new federal or state regulations or guidance

Notification to the Public

The district will actively inform caregivers and the public each year of basic information about the LWP, including but not limited to the following:

- its content and any updates

- district- and school-level implementation status
- an explanation of why updates were made, who was involved and how stakeholders were made aware of their ability to participate

- grains (whole grain-rich)
- meats and meat alternatives
- fat-free and low-fat milk
- access to free drinking water

In addition, the district will ensure the following:

- School meals will be accessible to all students, and the district will accommodate special dietary needs and food allergies as required by federal regulations.
- School meals will be administered by a team of qualified nutrition professionals who meet or exceed the hiring and annual continuing education/training requirements of the USDA.

- The district will make every effort to ensure, to the maximum extent practicable, that the method of payment does not identify a student as eligible for free or reduced-price meals (e.g., using prepayment systems which mask students' eligibility status).

The district/schools will:

- offer a variety of foods and beverages that are appealing and attractive to children
- ensure that eating settings are clean and inviting
- provide adequate time to eat school meals, meaning that students will be allowed at least 10 minutes to eat breakfast and at least 20 minutes to eat lunch, counting from the time they have received their meal and are seated

The district will ensure that all foods and beverages sold to students on the school campus during the school day support healthy eating, including those provided outside of the school meal programs. All foods and beverages sold outside of the school meal programs, during the school day will, at a minimum, meet Smart Snacks. These standards will apply in all locations and through all services where foods and beverages are sold, which may include but are not limited to à la carte, vending machines, school stores and snack or food carts, as well as any food-based fundraising meant for consumption during the school day.

Celebrations and Rewards

The district will ensure that celebrations and rewards are consistent with their nutrition policies. All foods and beverages served and offered on the school campus outside of the school meal programs during the school day will meet Smart Snacks Guidelines.

This includes foods and beverages offered during celebrations and parties, for classroom snacks and as rewards and incentives. The district recommends utilizing rewards that promote physical activity and/

or promote educational messages (e.g., a coupon for a free book at the book fair for consistently returning books to the library on time). Foods and beverages will not be withheld as a punishment for any reason.

Fundraising

The district will allow only foods and beverages that meet or exceed Smart Snacks to be sold through fundraisers on the school campus during the school day.

The district encourages schools to use fundraisers that promote physical activity (e.g., walk-a-thons, Jump Rope for Heart or fun runs).

Food and Beverage Marketing

The district will ensure all foods and beverages marketed to students on the school campus during the school day will meet or exceed Smart Snacks standards. This includes the marketing of products on the following:

- the exterior of vending machines
- posters, flyers, menu boards, coolers, trash cans and other foodservice equipment
- cups used for beverage dispensing

NUTRITION AND HEALTH EDUCATION

The district will teach, model, encourage and support healthy eating among students. Schools will provide nutrition education integrated into other subjects, as part of health education and/or offer stand-alone classes at each grade level.

The district will ensure it will meet the following goals for nutrition education:

- Nutrition and physical activity education is taught to all K-12 students using evidence-based curricula that are aligned with the National Health Education Standards and address the essential healthy eating and physical activity topics.

Physical Education

Physical education teachers will assess student knowledge, motor and social skills and provide instruction in a safe and supportive environment.

Though important for increasing physical activity, other physical activity experiences such as recess, intramural sports or recreational endeavors should not be used as a replacement for physical education.

The district will ensure it will meet the following goals:

- Physical education classes will be taught by certified physical education teachers.
- Physical education classes will be provided to students in all grade levels.
- Promote recess, clubs, and after-school activity opportunities for increased access to physical activities.

OTHER ACTIVITIES THAT PROMOTE STUDENT WELLNESS

The district will integrate wellness activities across the entire school setting, including the cafeteria, other food and beverage venues, classrooms, and physical activity facilities.

The district will ensure that students are offered additional nutrition education modules throughout the school year.

Health Services

The Health Office is open during school hours and can be contacted by calling the school.

During class time, a student must have a pass signed by a teacher to be seen in the Health Office (except in an emergency). Please remember that the Health Office is not a substitute for medical care and cannot diagnose or prescribe for your child.

Sick children should stay home or be taken to the doctor. The school does not provide transportation for routine medical care.

The Health Office Staff is prohibited by law from administering medication of any kind, including Tylenol, without a written order from a licensed medical provider who is allowed by law to prescribe medications. Parents/Guardians must also give written permission to administer medication. All medication, prescription and over-the-counter, is kept in the health office in the original container and packaging. Students are not allowed to self-carry any medication, prescription or over-the-counter, except for medication and/or equipment required for diabetes, asthma, or severe allergic reaction per state law and Governing Board Policy. Self-carry medication forms, along with medication order and for medication administration forms are available in the Health Office. In order to self-carry a medication related to diabetes, asthma, and/or severe allergic reaction, the student must also understand the medication, why it is being used, and how to properly administer the medication.

ILLNESS

Ill and injured children are best cared for by an adult at home. Upon becoming ill at school, the student must obtain a pass from the teacher and go to the Health Office. If necessary, the Health Office staff will contact the parent to take the student home.

It is essential that Parents/Guardians have a plan for picking up their ill child in a timely manner.

In any emergency, the school Health Office Staff or an administrator will notify the Parents/Guardians. If deemed necessary, paramedics may be called.

- When students are injured and/or sick, it is **IMPERATIVE** that we contact Parents/Guardians quickly. Please inform the school office of any changes in phone numbers and/or contacts as soon as possible. **IMPORTANT: We must have the names and numbers of persons to contact in case of an emergency if we are not able to reach a parent.**
- Any student with, or recovering from a communicable disease will not be permitted in school until the period of contagion is passed or until a doctor recommends a return.
- Children with any illness should stay home for at least 24 hours after a fever of 100.4 or greater has been normal without the aid of any medication. A child with vomiting, nausea, or diarrhea must be symptom free without the use of any medications for a 24-hour period.

IMMUNIZATIONS

Per Arizona Administrative Code, R9-6-702, [A.R.S. 15-872](#), and Governing Board Policy 5-403, students will not be admitted without their immunizations being current. Vaccines must follow [ACIP](#) minimum intervals and ages to be valid. Parents/guardians must provide documentation of any immunizations received during the year to the school Health Office Staff so school immunization records can be kept up-to-date. Children can be exempted from immunizations in the following circumstances:

- A licensed medical provider certifies that one or more of the immunizations would endanger the child's life.
- If parents/guardians complete the Arizona State Health Department online immunization education and submit the completed and signed certificate to the school Health Office. Although the law allows exemptions, the Arizona Department of Health Services or the County Health Department may tell the school to exclude a child from school if there is an outbreak of communicable diseases.

MEDICATION PROCEDURES

Students are not allowed to possess prescription drugs or over-the-counter medication, including cough drops, while on school grounds during school hours and activities. All medication is to be taken directly to the school Health Office by parents/guardians. Medications cannot be brought to school by students or carried on the school bus. Per [Governing Board Policy 5-404, 5-404.A](#), students are **not allowed** to carry prescription or over-the-counter medication without an order from their healthcare provider. If a student requires

medication during the school day, the following policy is in place:

- The parent/legal guardian will provide a medication order from a U.S. licensed physician, nurse practitioner, physician's assistant, or dentist, including the student's diagnosis, medication name, strength, route, dosage for school, and frequency or time of administration.
- Written permission must be provided by the parent/legal guardian for the administration of the specific medication.
- Prescription medication must be in the original pharmacy container, labeled with the student's name, date prescribed, name of medication, dosage, route, time the medication is given during the school day, and the name of the prescribing physician on the label.
- Any over-the-counter drug or medicine must come to the school office in the original manufacturer's packaging with all directions, dosages, compound contents, and proportions clearly marked.

ADMINISTRATION BY SCHOOL PERSONNEL

Besides the above Governing Board Policy, the following are also protocols for medication administration:

- The information on the prescription bottle must be the same as the licensed medical provider order.
- Medication will usually be administered by Health Office staff in the Health Office.
- An administrator may designate a properly trained school employee to administer the medication.
- Each administration of prescription drugs must be documented.
- Medications must be kept in their original container in a locked cabinet.

SELF-ADMINISTRATION OF PRESCRIPTION DRUGS

When the licensed medical provider feels it is necessary for the student to carry their diabetic, epi-pen, or rescue inhaler medications and self-administer the medication, the licensed medical provider shall provide a written recommendation to be attached to the signed parent permission form.

- The Parents/Guardians must provide written permission for the student to self-administer

and carry the medication. Appropriate forms are available from the health office.

- The medication must come in the prescription container provided by the pharmacist.
- The student must be able to understand the medication's use, the proper dose and how to properly administer the medication. Students in kindergarten through 3rd grade may not be able to self-carry their medications.
- Students who self-carry their own medication must report to the Health Office after each use. The medication administration will be documented and the student examined.

CONTROL OF STUDENT MEDICATION

Use or administration of medication on school premises may be disallowed or strictly limited if it is determined by the principal, in consultation with medical personnel, that a threat of abuse or misuse of the medicine may pose a risk of harm to a member of the student population. The student shall take extraordinary precautions to keep secure any medication or drug, and under no circumstances shall make available, provide, or give the item to another person. The student shall immediately report the loss or theft of any medication brought onto the school campus. Violation of this regulation may subject the student to disciplinary action.

HEARING AND VISION SCREENINGS

Arizona Department of Health Services legislatively mandates the administration of hearing and vision screening students. No action is required to participate in this process; however, if you would like your student to opt-out of these screenings, please notify your school's Health Office in writing. Hearing and vision screenings are conducted throughout the school year. For additional information, please contact your school's Health Office.

CHRONIC HEALTH CONDITIONS

If your child has a serious and chronic health condition that impacts their school attendance, please complete a [*Chronic Condition Certificate*](#) that may exempt your student for up to 60 absences per school year. Please see [*Policy 5-104*](#) and [*5-104*](#).

Safety and Wellness

FIRE ALARMS, LOCK-DOWNS AND EVACUATIONS

Each school maintains detailed plans for dealing with emergency situations and has excellent communication with local law enforcement agencies. Schools participate in monthly fire drills and/or school-wide lockdown drills.

FIRE DRILLS

Fire drills occur monthly at each school. When the FIRE ALARM sounds, students should evacuate the building in an orderly, quiet manner and follow the instructions of staff members in charge. Students should not stand on paved areas where emergency vehicles may need to pass. Students reporting and/or creating false fire alarms will be subject to disciplinary action from administration and referral to Maricopa Police Department.

LOCKDOWN DRILLS

Lockdown drills are essential in case there is some kind of danger that would require students to be in their classroom and protected from any problems. A lockdown drill means that all students remain in the classroom with their teacher with the classroom door locked. No person (adult or child) will be able to walk the campus unless escorted by a designated school employee. It is very important that all students remain quiet in order to hear important directions.

CHILD ABUSE REPORTING REQUIREMENTS FOR SCHOOL PERSONNEL

The duty to protect children from child abuse, sexual abuse, and neglect is one that is incumbent on every school district employee. The following guidelines are designated to clarify what these new obligations are.

A.R.S. 13-3620 provides that anyone who “reasonably believes” that a minor is or has been the victim of physical injury, abuse, and child abuse, reportable offense or neglect that has been inflicted on the minor by other than accidental means or that is not explained by the available medical history as being accidental in nature shall immediately report or cause reports to be made of this information to a peace officer or to Child Protective Services at the Department of Child Safety. This means that if a school employee hears a rumor, overhears a conversation or by any other means, becomes aware that a child may be the subject of physical injury, sexual abuse, or neglect, that employee has an obligation to report. It is not necessary to have visual or actual evidence of abuse to trigger the reporting requirement. Staff is bound by law to not discuss or share any information to any person unless specifically authorized by applicable law or court order.

EMERGENCY CARE AT SCHOOL

The health office staff is certified in cardiopulmonary resuscitation (CPR) and first aid. During an emergency medical event, the licensed nurse or building principal may determine that for the health and safety of a student who has been injured or having a severe medical emergency a 911 call is necessary. Parent/legal guardians are contacted immediately. It is the responsibility of the parent/legal guardian to pay all transport and medical hospital bills as the result of the injury or medical event.

Technology

CELL PHONES AND ELECTRONIC EQUIPMENT

Cell phones and electronic devices must be turned off and put away as soon as students arrive on campus. Cell phones are not to be used at any time during the school day (unless identified for instructional purposes by the teacher) or during assemblies. Any phone/electronic device not being utilized for instructional purposes will be confiscated. Students must bring their ID to retrieve these items from the front office at the end of the school day.

Students bring these devices to school at their own risk. If a student has a cell phone or other electronic device on campus or the bus and it is damaged or stolen, the school will not utilize resources to investigate the incident nor will MUSD take any financial responsibility for the cell phone or cell phone charges or for any other electronic device.

1st Infraction: Phone/electronic device will be confiscated. Students MUST show ID to retrieve devices at the end of the school day.

2nd and subsequent infractions: Phone/electronic device will be confiscated. *Read more about cell phone and wireless communication restrictions at Procedure © 5-305.A Student Code of Conduct—Restrictions on Use of Wireless Communication Devices.*

ELECTRONIC INFORMATION SYSTEM (EIS)

The school's information technology resources, including email and Internet access, are provided for educational purposes. Online communication constitutes web browsing, email, instant messaging, blogging, any use of network resources, etc. MUSD electronic resources include, but are not limited to:

- Hardware, software, data, communication devices, printers, servers, filtered internet access, and local and wide area networks.

Online communication is critical for learners to apply 21st Century Skills and employ tools such as interactive websites, blogs, video conferencing, podcasts, etc., which offer authentic opportunities for students to express and share information. To keep students safe and comply with the Children's Internet Protection Act (CIPA), the Acceptable Use Policy (AUP) is put in place and updated to accommodate the many educational and global changes to date. This Acceptable Use Policy is written for all those who use school-provided network connections. These connections may be used for classroom blogs, student emails, podcast projects, interactive websites, social media, and any other occasion students, teachers, or community members use school network resources.

CONSEQUENCES FOR VIOLATION

Violations of these rules may result in disciplinary action, including the loss of a student's privileges to use the school's information technology resources.

SUPERVISION AND MONITORING

School and network administrators and their authorized employees monitor the use of information technology resources to help ensure that uses are secure and in conformity with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline, or security of any student or other person, or to protect property. They may also use this information in disciplinary actions, and will furnish evidence of crime to law enforcement.

BRING YOUR OWN DEVICE POLICY

The Maricopa Unified School District's Bring Your Own Device Policy allows students to connect personal devices to the district's WIRELESS network provided approval is granted from the principal or authorized designee and the student's parent or legal guardian. This policy does not extend to district owned devices. For purposes of this policy, "device" means personally owned electronic equipment with wireless internet capability that can be used for educational purposes. This is limited to Chromebooks.

SCREEN MONITORING

Administration monitors all school issued technology accounts. These programs are in use for all students enrolled in the Maricopa Unified School District.

MUSD 1:1 Device Policy

MUSD supports student success by providing collaborative solutions to prepare all students for future opportunities. Every student grades 3-12 has access to an assigned laptop for academic purposes at home and school. Students are responsible for the care and use of the assigned device.

Student Device Care and Responsibility

To support 21st Century learning, students are provided with devices for educational use. With this privilege comes the responsibility of proper care and stewardship. Students are expected to handle their devices with care and avoid leaving them in unsupervised areas. Students should ensure the device is kept free of stickers, drawings, or debris. Any technical malfunctions or damage must be reported immediately. While we can understand accidents can happen, students and their families are responsible for damages resulting from neglect or intent.

Transportation

BUS RULES AND EXPECTATIONS

Students riding district buses are expected to follow the guidelines for bus riders. Bus drivers are authorized to assign seats at all grade levels. Drivers will try to accommodate parent seating requests, but they cannot guarantee parent/student preference.

All students who ride the bus **MUST** ride the same **A.M.** bus every morning and the same **P.M.** bus every afternoon. We do not allow temporary changes to your student's stop. Permanent changes should be reported to transportation as soon as possible, in order to make sure we provide the safest transportation for all students.

Any student who does not behave appropriately on the bus or does not cooperate with the bus driver can lose bus riding privileges for a period of time or the remainder of the school year. Refusal to obey any bus driver when he/she is enforcing the bus rules is a serious offense. We ask parents to emphasize the absolute necessity of following the bus rules. Remember our drivers are entrusted with the lives of our young people and they must have support from all of us.

All questions pertaining to transportation should be directed to the Transportation Director at **(520) 568-1150**.

RULES FOR STUDENT TRANSPORTATION

Arizona statutes do not mandate pupil transportation in this state. School bus transportation is provided as a courtesy and is a privilege, not a right. If a student's conduct is such that the health, safety, comfort, or the well-being of others is jeopardized, on or off the bus, a district official may deny the privilege of riding the bus. The school bus driver is in charge of the bus and all its passengers and has total authority and responsibility. Only designated district officials are authorized to suspend privileges.

STUDENT CONDUCT ON THE SCHOOL BUS

BE SAFE

- Listen to and follow staff directions
- Stay seated facing forward while being transported on the bus
- Keep head, hands, feet, and objects inside the bus and to yourself

BE RESPECTFUL

- Keep the bus clean and damage/graffiti -free
- Use quiet, inside voices
- Use school appropriate language

BE RESPONSIBLE

- Follow all district/school policies
- Keep food, drink, and belongings in your backpack (water OK)
- Use electronics appropriately

SCHOOL SITE WALKING BOUNDARY REGULATIONS

The Maricopa School Board authorizes the regular school bus transportation to and from school for the following categories:

- Students with disabilities who require transportation, as indicated in their respective individual education programs.
- Students living within one and one half (1.5-mile radius (grades 9-12) of the school where hazardous or difficult routes exist and where other arrangements cannot be provided.
- Students who are residents within a school attendance area and live more THAN one and one half (1.5) mile radius (grades 9-12) of the school.
- Transportation for pupils who do not reside within an established school attendance area, limited to no more than twenty (20) miles each way to and from the school of attendance or to and from a pickup point on a regular transportation route or for the total miles traveled each day to an adjacent school for eligible nonresident pupils who meet the economic eligibility requirements established under the National School Lunch and Child Nutrition Acts (42 United States Code section 1751 through 1785) for free or reduced-price lunches.
- Transportation for homeless students to their school of enrollment, if it is the school of origin, will be arranged as needed by the school liaison for homeless students. Ineligible students MAY NOT travel to or play in any competitions or events (home or away). After improving their respective grades such that they have a 2.0 and are passing ALL classes on the subsequent grade check is performed. If the student-athlete's grades drop below 2.0 or one (1) class is a failing grade, they will again be ineligible for a minimum of one (1) week.

TRANSPORTATION OF STUDENTS ADMITTED THROUGH OPEN ENROLLMENT

A resident/nonresident student is eligible for district transportation on routes within the attendance boundaries of the school to which the student has been accepted for open enrollment. It is the responsibility of the parents or guardians of the student to have the student at a designated pickup point within the receiving school's transportation area. It is the parent's responsibility to contact transportation to inform them of the pickup and drop off bus stop where their student will be for accountability purposes. If the parent is unable to transport the child to a stop within the school

boundaries, the parent is responsible for providing transportation to and from school.

BUS MISCONDUCT REFERRAL POLICY AND PROCEDURES (POLICY 5-305 AND 5-409)

Drivers are responsible for maintaining order on the buses. It is the responsibility of the transportation department to communicate information to administration who will advise the parents when a student has been suspended. In the event of misbehavior on the part of the student riding the bus, the bus driver may issue the student a "Bus Referral" for minor and/or major infractions. The driver will complete a School Bus Misconduct Referral form.

- Depending on the nature and severity of the incident, the first bus referral may result in a written warning, or other disciplinary action, up to and including temporary or permanent suspension of bus privileges by the transportation director.
- The first bus referral on an activity bus will result in the suspension of activity bus riding privileges for the remainder of the semester or school year depending on the time of the year.
- Parents/Guardians contact will be initiated by an administrator regarding referrals and possible consequences. Severe infractions or second referrals will have a copy sent home as well. All referrals will be filed in the transportation office as well as the school site
- Habitual misconduct will result in permanent suspension from the privilege of bus transportation. This procedure will not preclude the right and responsibility of school officials to take other immediate action, as may be necessary in their judgment. For the preservation of good order and specifically for the safety and well-being of others who ride the bus. Suspension from bus transportation does not excuse the student from school attendance.

Student Violence, Harassment, Intimidation, and Bullying

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The board further believes a school environment inclusive of these traits maximizes student achievement, foster student personal growth, and helps students build a sense of community that promotes positive participation as members of society. MUSD Discipline Matrix

Progressive Discipline - The Code of Conduct is based upon progressive student discipline as described in Governing Board [Policy 5-305](#): "Depending upon the nature of the violation, student discipline may be progressive, i.e., generally, a student's first violation should merit a lighter penalty than subsequent violations." The following chart shows the minimum and maximum range of disciplinary action that will be enforced for each area. These statements are guidelines only and do not limit the judgment of the administrator who must assess the situation and the student's behavioral history. School rules apply when a student is attending school, on school grounds, at school sponsored events, traveling to or from school, before or after school at bus stops, on any district property, or when the student is engaged in misconduct that affects the climate of the school.

***Notes: the use of commas in the Minimum and Maximum columns below indicate "and/or" and are dependent on the infraction and use of progressive discipline. Violations noted with * *are reported to the Arizona Department of Education*. Violations noted with ** *are additionally reported to law enforcement*.

A major code of conduct violation is considered to be any behavior infraction that has to be reported to the Arizona Department of Education. This includes but is not limited to: alcohol, drugs, fighting/assault, threats, and weapons. The school principal or their designee reserves the right to recommend students for long-term suspension based on these major infractions

AGGRESSION

SEXUAL OFFENSES: Note: Consider age and developmentally appropriate behavior before using this category

Infraction	Sexual Offenses - Harassment, Sexual*			
Definition	U.S. Department of Education, Office of Civil Rights, Revised Sexual Harassment Guidance: Harassment of Students by School Employees, Other Students, or Third Parties, Title IX, January 2001: Sexual harassment is unwelcome conduct of a sexual nature that denies or limits a student's ability to participate in or to receive benefits, services, or opportunities in the school's program. It can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Because sexual harassment of students is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972, it is governed by this statute and corresponding guidance. Title IX applies to any public or private school receiving federal funding. Does not include legitimate nonsexual touching or other nonsexual conduct, for example, a high school athletic coach hugging a student who made a goal or a kindergarten teacher's consoling hug for a child with a skinned knee. Relevant factors in determining whether behavior rises to the level of sexual harassment include: • The degree to which the conduct affected one or more students' education • The type, frequency and duration of the conduct • The identity of and relationship between the alleged harasser and the subject or subjects of the harassment • The number of individuals involved • The age and sex of the alleged harasser and the subject or subjects of the harassment • The size of the school, location of the incidents, and the context in which they occurred • Other incident at the school

Discipline

MUSD Discipline Philosophy- Students are expected to conduct themselves in a manner that is consistent with the vision, goals, and beliefs of the Maricopa Unified School District.

Accordingly, students are prohibited from engaging in behavior that obstructs, disrupts, or interferes with any educational, administrative, disciplinary, or other activity sponsored or approved by the District, that endangers or threatens the safety of any person, or that inflicts or threatens to inflict damage on the property of the District, District employees, students, or others.

In addition, students who have committed or are believed to have committed a crime may be subject to school discipline. [A.R.S. 15-843\(b\)](#). Students who fail to abide by this general behavioral expectation will be subject to appropriate discipline, regardless of whether the conduct violates any specific provision of prohibited behavior, and may be cause for revocation of open enrollment admission status.

PBIS-POSITIVE BEHAVIOR INTERVENTION SUPPORTS

Maricopa Unified School District has adopted the Positive Behavior Intervention Supports or PBIS framework. School-Wide PBIS is a whole school three-tier approach to decreasing disruptive behaviors and increasing student success. • One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.

- A continuum of positive behavior support for all students with all MUSD schools is implemented in areas including the classroom and non-classroom settings (for example hallways, buses, and restrooms).
- Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

[PBIS.org](#) - The main focus of PBIS is to provide a clear system for all expected behaviors at Maricopa Unified School District

Schools. While many faculty and students may have assumptions of what is expected behavior, we cannot assume that everyone's understanding and beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which ALL school community members have clear expectations and understandings of their role in the educational process. MUSD schools are implementing PBIS school-wide systems of positive behavior support that focus on taking a team-based approach and teaching appropriate behavior to all students in the school.

Our three main overarching Behavior Expectations district wide are:

**BE SAFE
BE RESPECTFUL
BE RESPONSIBLE**

Behavioral expectations are taught using similar teaching formats that are applied in the general curriculum. The rules are presented, the reasons are discussed, positive examples (correct way) are described and rehearsed, and non-examples (incorrect way) are described and modeled. Students are given the opportunity to practice the correct way until they demonstrate fluency. Appropriate behaviors are acknowledged. Once appropriate behaviors have been defined these desired behaviors are reinforced on a regular basis. Each school has their own reinforcement system used to reward positive behaviors. Students are recognized and celebrated in various ways throughout the year.

RESTORATIVE PRACTICES

The Maricopa Unified School District is founded on humanitarian and democratic principles, recognizing and respecting the rights and dignity of all individuals. As a community of educators, we deeply value the importance of building strong relationships with our students, as we believe this is essential for their overall success. This includes fostering collaborative partnerships with students and their families, working together to ensure each student's achievements.

Restorative practices and school discipline in the Maricopa Unified School District aim to cultivate inclusive school communities that prioritize student engagement in learning and minimize disruptions to instruction. To achieve this goal, we rely on the

support of all stakeholders, particularly our families, as we strive to create a nurturing and positive environment.

Our objectives regarding restorative practices and discipline are as follows:

1. Providing students with ample opportunities to learn from their mistakes, transform their behavior, and restore relationships.
2. Developing a progressive and restorative program that embodies our values.
3. Ensuring administrators possess a comprehensive understanding of appropriate responses to discipline referrals and concerns, while allowing for flexibility and individualized approaches.
4. Offering clear guidelines and advanced communication to students, parents/guardians, and school personnel regarding the steps to be taken in handling discipline matters.
5. Providing ongoing professional development and support for educators to implement strategies and actions that align with the principles of a democratic society.

Each day, within our schools, we have the power to influence our students' social-emotional learning and development through the utilization of restorative practices. By prioritizing healthy relationships, preventing harmful behaviors, resolving conflicts constructively, and fostering a positive and inclusive learning environment, we aim to create an optimal space for growth and learning. We deeply value open dialogue as a means to repair relationships, and we maintain an unwavering commitment to ensuring that disruptive behavior does not impede other students' access to education.

To maintain a safe and respectful learning environment, our staff is dedicated to addressing and supporting behavioral concerns at the teacher and classroom levels. These conversations may involve peers, parents/guardians, and the administration, as we all share the responsibility to support and uphold a secure and inclusive learning community.

APPENDIX A: USE OF TECHNOLOGY RESOURCES IN INSTRUCTION

STUDENT AND PARENT/LEGAL GUARDIAN USER AGREEMENT

The District provides students with a variety of technology resources, including electronic devices, software, and means of electronic communication. The District believes the resources available offer significant opportunities for teaching and learning; however, the technology must be used in a responsible manner. While the District provides protection from harmful material through the use of filtering software, the teacher and the student have the ultimate responsibility for using the technology according to District guidelines and policy.

Terms and Conditions

Students are responsible for their actions involving District technology, along with personal files, passwords, and accounts. Uses and activities that are expressly prohibited include:

- accessing or downloading VPNs or other proxy-avoiding extensions with the intent of bypassing District security features and filtering;
- accessing, submitting, transmitting, posting, publishing, forwarding, downloading, scanning, or displaying materials that are defamatory, abusive, obscene, vulgar, sexually explicit, sexually suggestive, threatening, discriminatory, harassing, and/or illegal;
- soliciting or distributing information with the intent to threaten, harass, or bully others;
- using District technology for any illegal activity or activity that violates other Board policies, procedures, and/or school rules;
- copying or downloading copyrighted materials, including software, without the permission of the copyright owner or express authorization of the student's teacher or principal;
- representing as one's own work any materials obtained on the internet, such as term papers and articles (when internet sources are used in student work, the author, publisher, and website must be identified);
- sharing passwords, using other users' passwords without permission, and/or accessing other users' accounts;
- any malicious use, disruption, or harm to the school's technology devices, networks, and internet services, including, but not limited to, hacking activities and creating or uploading malware;
- accessing social networks without specific authorization from the supervising teacher; and
- misuse of a school name or logo on a personal website that gives the reader the impression that the website is an official school or District website.

The District retains control, custody, and supervision of all District technology. The District reserves the right to monitor student usage of all District technology. Students have no right of privacy in their use of District technology, including email and stored files.

Artificial Intelligence (AI)

As emerging technologies like artificial intelligence (AI) and Natural Language Processing (NLP) become more prevalent, our District is proactively developing principles to guide the safe, effective, and responsible use of these tools for student learning.

Students are required to rely on their own knowledge, skills, and resources when completing school work. In order to ensure the integrity of the educational process and to promote fair and equal opportunities for all students, the use of Artificial Intelligence (AI) and Natural Language Processing (NLP) tools (collectively, "AI/NLP tools") is strictly prohibited for the completion of school work except as outlined below. The use of AI/NLP tools, without the express permission/consent of a teacher, undermines the learning and problem-solving skills that are essential to academic success and that staff is tasked with developing in each student.

Students are encouraged to develop their own knowledge, skills, and understanding of course material rather than relying solely on AI/NLP tools, and they should ask their teachers when they have questions and/or need assistance. Unauthorized use of AI/NLP tools is considered a form of plagiarism, and any student found using these tools without permission or in a prohibited manner will be disciplined in accordance with the Student Code of Conduct.

Notwithstanding the preceding, students may use AI/NLP tools in the school setting if they receive prior permission/consent from their teacher, so long as they use the AI/NLP tools in an ethical and responsible manner. Teachers have the discretion to authorize students to use AI/NLP tools for the following:

1. Research assistance: AI/NLP tools can be used to help students quickly and efficiently search for and find relevant information for their school projects and assignments.
2. Data analysis: AI/NLP tools can be used to help students analyze, understand, and interpret large amounts of data, such as text documents or social media posts. This can be particularly useful for research projects or data analysis assignments—e.g., scientific experiments and marketing research.
3. Language translation: AI/NLP tools can be used to translate texts or documents into different languages, which can be helpful for students who are learning a new language or for students who are studying texts written in a different language.
4. Writing assistance: AI/NLP tools can provide grammar and spelling corrections, as well as suggest alternative word choices and sentence structure, to help students improve their writing skills.
5. Accessibility: AI/NLP tools can be used to help students with disabilities access and understand written materials. For example, text-to-speech software can help students with specific learning disabilities or visual impairments to read texts, and AI-powered translation tools can help students with hearing impairments understand spoken language.

The above list of acceptable uses of AI/NLP may be expanded with consent of the District administration as acceptable uses evolve with the technology. Staff and students must exercise transparency with respect to use.

As outlined above, under appropriate circumstances AI/NLP tools can be effectively used as a supplement to and not a replacement for traditional learning methods. Consequently, with prior teacher permission/consent, students may use such resources to help them better understand and analyze information and/or access course materials. If students have any questions about whether they are permitted to use AI/NLP tools for a specific class assignment, they should ask their teacher.

As a student user, I agree to follow the District’s requirements for use of technology. I will report any misuse of technology to the teacher or school administration. I understand that any violations of the above terms and conditions may result in disciplinary action and the revocation of my use of technology resources and services.

I accept full responsibility for supervision when my child's use of technology is not in a school setting. I hereby give my permission to have my child use the District's technology resources and services.

I will be financially responsible for equipment that is lost, stolen, or damaged. I understand there may be charges to my family if the laptop and/or technology provided is damaged, lost, or stolen. I will not leave the technology equipment in an unsecured area (in an unlocked vehicle, for example). I will immediately report theft or damage of any kind to my child's school. APPENDIX B: MUSD'S BRING YOUR OWN DEVICE POLICY

MUSD'S BRING YOUR OWN DEVICE (BYOD) POLICY

The Maricopa Unified School District's Bring Your Own Device Policy allows students to connect personal devices to the district's wireless network provided approval is granted from the principal or authorized designee, and the student's parent or legal guardian. Parents who wish to allow their child to use a personal device must have signed off on the Parent Acknowledgments and Permissions form. This policy does not extend to district owned devices.

For purposes of this policy, "device" means personally owned electronic equipment with wireless internet capability that can be used for educational purposes. This is limited to Chromebooks that are supported by Google updates.

Terms of Agreement

Access to the network is a privilege, not a right.

Use of my device while connected to the network is governed by the District's Electronic Information Services User Agreement (EISUA) policies as set forth in the Maricopa Unified School District Policy Manual, and all other district policies and regulations pertaining to the use of technology resources. I must receive signed authorization on the Parent Acknowledgments and Permissions form from my parent or legal guardian and the principal or authorized designee and before using my device on the network. I must utilize the MUSD network to connect to the internet on my device while on school grounds. This requires that I log in with my district-supplied student user ID and password. I am not to use a personal network, broadband, or other external connection to the internet. I am not permitted to have any external network services or utilities running on my device while it is connected to the MUSD network. No personal network routers, access points, switches, hubs, network printers, or any other device besides that listed in this agreement, may be connected to the network at any time.

Current antivirus software must be installed on my device and I must continue to have up to date virus definitions installed and configured. I will not store any confidential District data on my device. I am responsible for adhering to copyright, licensing laws, and guidelines for all software on my device.

I understand this approval is granted for the current school year and must be reapplied for each school year.

Districts Rights

MUSD uses filtering technology and protection measures to restrict access to inappropriate material on the network; however, it is not possible to absolutely prevent such access. Inappropriate use may result in cancellation of permission to use the network and will be followed by prompt disciplinary and/or legal action.

An agent may be installed on my device as part of my use of the network. This agent will be used to ensure the security and management of the network. Administrators, faculty and other authorized district personnel may review files and messages to maintain system integrity and ensure that users are acting responsibly.

The District's Technology Director and/or the campus department supervisor or authorized designee may revoke my privilege to use the network when I am found violating any part of this policy.

Liability

I assume all liability when installing or uninstalling any software and do so at my own risk.

I assume all liability for improperly configuring my device. I will not hold MUSD liable, under any circumstances, for theft, damage, loss of my device, or loss of data stored on my device.

MUSD assumes no obligation for the support, either onsite, remotely, by email, or by telephone, of the personal device; neither will it accept any liability for modifications made to the device as a result of establishing a connection. The network continues to be configured in the best interests of the district-owned devices that are using It.

ATTENDANCE CONTRACT

Arizona Law and Workplace Standards require students to be at school and on time each day. The right and privilege of attending public school carries with it certain responsibilities on the part of parents and students. It is important that parents and students recognize the direct relationship between academic success and regular school attendance. Students should keep absences below 10 or they will be in jeopardy of losing credit for the semester. Most classroom activities cannot be replicated; class discussion and participation are lost to those who are absent. Administration will require documentation for excessive or habitual absences.

Attendance Definitions

- **Absence** – Students who fail to report to one or more classes will be marked absent. A student who arrives more than 10 minutes late is considered absent.
- **Excused absence** – An absence is excused if a parent or guardian notifies the school of the reason for the absence. The determination to excuse an absence will be made in compliance with Arizona Department of Education guidelines.
- **Unexcused absence** – Any absence not verified by parent or guardian will be considered unexcused.
- **School-related absence** – If a student missed class due to a pre-approved school-related activity, it will not count as an absence.
- **Suspension** – Of days suspended, the first 10% (18 days) will be considered excused. If a student is suspended above the 10% those suspension days will be considered unexcused. If a student has 10 consecutive unexcused absences, they will be withdrawn.
- **Tardy** – A student is tardy when he/she is not in class and seated when the final bell rings.

Reporting an Absence

When a student is absent it will be necessary for the parent to call the school on or before the day of the absence in order to advise the school as to the reason for the absence. When it is impossible to call on the day of the absence, the school should be notified on the morning the student returns, in time for the student to obtain an admission slip prior to the student's first class. ***All absences not verified by parental or administrative authorization will remain unexcused.***

Excused Absences

- | | |
|---|-----------------------------------|
| • Individual illness or health conditions | • Family emergencies |
| • Serious illness in the immediate family | • Death in the immediate family |
| • Religious holidays | • School sanctioned activities |
| • Mental or behavioral health matters | • Medical and dental appointments |
| • Homelessness | |

Unexcused Absences

Unexcused absences are considered trancies. If a student missed one or more periods in a school day, the unexcused absence will be considered ditching. While parents may be aware of these circumstances, the absence will remain unexcused for attendance purposes. Administrators are the only persons able to excuse absences.

Academic Consequences of Absences

Parents will be notified of daily absences from school via an automated calling system. Unverified absences will result in loss of credit on assignments in each class missed.

Attendance/Credit Appeal

If students in 9th – 11th grade have accumulated more than 10 absences (excused or unexcused) by the end of each semester in any class, he or she must appeal to receive credit. Attendance appeals are available on the MHS and DSHS website and in the attendance office. The report card will list N/C (No Credit) for the classes where the absences do not meet the seat time requirements. Please follow the directions attached to the Attendance/Credit Appeal form and return the form and required document to the Attendance Office within five (5) working days of the postmarked date.

If students in 12th grade (seniors) have accumulated more than 10 absences (excused or unexcused) each semester, it will jeopardize their status for graduation. First semester appeals must follow the process for 9th – 11th grade students above. Second semester appeals will be considered 1-2 weeks prior to graduation. A denial of credit for either 1st or 2nd semester will result in loss of credit and/or graduation.

Attendance appeals will **only** be considered with **documentation** for the following reasons:

- Death in the family
- Hospitalization(s)
- Chronic health conditions (*documentation must be file*)
- Individualized Health Plan in the Health Office
- Homelessness
- Illness
- Legal appointments

Ten Consecutive Absences

After 10 days of consecutive unexcused absences, the student will be withdrawn from school.

Student Check-In

If a student is late to school, a parent/guardian must accompany them into the front office to sign them in, regardless of the period.

Student Checkout for Scheduled Appointments

A parent or guardian is expected to call the attendance office to grant permission for a student to be released from class early. In order for a student to leave campus during the school day, the student must obtain a release pass from the attendance office prior to leaving. To receive this pass, a parent must send a written excuse or call the attendance office before the student's first class that morning. The student will present the pass to the teacher and report to the attendance office to sign out. All students must leave campus through the front office. Any student leaving campus without a pass is subject to disciplinary action. Students will not be allowed to be checked out during any safety drills.

Pre Approved Requests/Special Circumstances

In certain circumstances when it is necessary for a student to be absent for an extended amount of time, notification should be made at least 10 days prior to the absence. Filing a request does not guarantee approval. The following criteria will be considered:

- **Grade** – must have a passing grade in each class
- **Attendance** – amount prior to absence/tardy
- **Behavior** – prior referrals, disciplinary actions, etc.
- Students must collect all class work prior to the absences and complete all work by a predetermined date

Change of Address or Telephone Number

It is imperative that parents and guardians notify the respective school to the appropriate person of any change of address or telephone number, in case of emergency. Changes to information will not be accepted by phone notification. Please request a copy of the student profile from the office to make the appropriate changes.

Dropping/Adding Courses

After the 10th day of the semester, students will not be allowed to drop a course or make changes in their schedule. If a student transfers/drops a class after the 10th day, a "WF" (withdrawn failing) will be posted on their transcript. Exceptions to this will be considered for extreme circumstances. Students enrolling in a class during the first 15 days will be required to make up all work missed. Students who enroll in a class from the 16th to the 30th day of the class (without transfer grades) may, at the teacher's discretion, earn credit in the class by making up the work. Students who enroll in a class after the 31st day will be auditing the class and not earn credit.

***Parents/Guardians Notification:** The school shall make a reasonable effort to promptly telephone and notify parents or guardians of an absent student within two hours after the start of school. In order to do this, it is IMPERATIVE that we have current contact information. Please inform the school office of any changes in phone numbers and/or contacts as soon as possible.*

Withdrawal from School

The faculty and administration encourage all students to remain in school. Students who are having problems are advised to see their counselor, teacher or principal for guidance. If a student is withdrawing, the following steps must be taken:

- Contact the counselor
- Complete forms obtained from registrar's office
- Get withdrawal documentation signed by teachers, nurse, bookstore/librarian, counselor and parent/guardian.
- Return the form to the school registrar
- Withdrawals are not considered complete until all books are returned, outstanding debts are paid and the student ID is returned to the bookstore
