## CHRISTIAN SCHOOLS

*Your child's safety and well-being are our top priority!*

## Disaster Kit required for **EVERY** Student!

(INFANTS - 8TH GRADE)

For the well-being of the children in our care, we are asking every Heights student to bring a disaster kit containing emergency food and water. This will be stored at the school for their use should there be a situation that requires them to stay on campus for an extended period of time.

You may make your own kit or, for your convenience, we have a resource where you can purchase one (see below). Kits should be brought to Meet the Teacher Day or the first day of school.

### **YOUR STUDENT MUST HAVE A KIT ON THE FIRST DAY OF SCHOOL!**

#### **OPTION 1: MAKE YOUR OWN KIT**

- Must be in a gallon-sized Zip-lock bag (no other size)
- On the front of the bag, write your child's name, grade, and teacher
- Please include: (1) 16.9 bottle of water, age-appropriate packaged snacks ex. chips, crackers, cup of prepackaged fruits (no perishables), etc.

#### **OPTION 2: BUY A KIT**

- Visit: [shopclassroomsolutions.com](http://shopclassroomsolutions.com) and "choose your school"
- Items will be delivered to your campus along with your child's identifying information

*If you have any questions, contact your School Office.*
