2026-2027 Title I Family Engagement Plan

Learners Today, Leaders Tomorrow

We are committed to building meaningful partnerships with families to support student academic achievement and overall success. We believe that family engagement is a shared responsibility among the school, families, and community and is essential to helping all students reach their full potential. By working together, we can create a supportive learning environment that promotes academic achievement, positive behavior, regular attendance, and lifelong success for all students.

Family Involvement:

Families will have opportunities to participate in the planning, review, and improvement of the school's Title I programs, Family Engagement Plan, and School-Family Compact through:

- Parent feedback surveys and needs assessments
- School and district stakeholder meetings
- PTO involvement and school committees
- Family engagement events throughout the year

Family Responsibilities:

- Support learning at home through reading, homework completion, and academic practice.
- Stay informed about their child's progress.
- Participate in school events and conferences when possible.
- Maintain communication with teachers and school staff.
- Reinforce positive behavior and school expectations.

Building Strong Home-School Partnerships

We will:

- Provide timely information about school programs, student progress, and academic expectations.
