

Welcome to the Northstar Family Teacher Council (formerly PTSA)

Hi Northstar Families!

Our mission is to enhance our students' educational experience by building a strong partnership among **families, educators, and our community**. The FTC supports Northstar students and staff by providing enhanced experiences and activities for students, organizing staff appreciation events, providing mini-grants for teachers and staff, and organizing fundraising efforts to support Northstar programs and activities.

You can learn more about the Northstar Family Teacher Council on the [Northstar Middle School website](#) or by following us on [Facebook](#).

Fundraising: No Buy / No Sell!

This year, we are excited to offer a [No Buy / No Sell fundraiser!](#)

That means there is no need to send your students door-to-door, ask grandparents or friends to purchase items, or buy things your family doesn't need. Instead, we are simply asking families who are able to make a donation to help us reach our **\$5,000 fundraising goal**.

Every Donation Makes a Difference!

If every Northstar family donated just **\$10 per student**, we would reach our \$5,000 goal and be able to continue supporting student activities and experiences throughout the school year.

Every little bit helps! And for families who are able to give more, we truly appreciate your additional support.

Join Us!

Our next FTC meeting will be:

Tuesday, October 6 at 6:00 p.m.
Northstar Commons

All Northstar families are welcome, and we would love to see you there!

Thank you for helping us make Northstar an even better place for our students, staff, and families!
