Bed In Summer

By Robert Louis Stevenson

In winter I get up at night
And dress by yellow candlelight.
In summer, quite the other way,
I have to go to bed by day.

I have to go to bed and see
The birds still hopping on the tree,
Or hear the grown-up people's feet
Still going past me in the street.

And does it not seem hard to you,
When all the sky is clear and blue,
And I should like so much to play,
To have to go to bed by day?

Math Fact focus for this week:

Addition and Subtraction 0-20. Students should practice math facts nightly to help with automaticity.

Ways to practice:

-Printed fact sheets.

-flash cards

-xtramath.com

Math facts are timed for 4 minutes in school, but both sides of the page should be finished each night.

Dress for the weather

Please remember that Colorado weather changes on a dime. Be sure to plan accordingly and send a jacket with your child in case we are all caught in the rain!

Field Day

On Thursday Sept. 17 we will have our school field day from 11:30-2:45 on the field. Each student should wear their field day shirt, tennis/running shoes, and may wear athletic bottoms that adhere to uniform policies. Be sure to have your child bring a water bottle labeled with his/her name. Also, per school policy sunscreen can be applied at home but not at school. Any questions contact the school nurse. Hats are welcome to be worn. The hot lunch program will provide sack lunches instead of a hot lunch. These will need to be preordered by Sept. 15, or students may bring lunch from home. Please let your teacher know by Sept. 15 if your child would like a school sack lunch. Come and cheer us on!

Please use the links below to sign up to volunteer or bring in supplies. We would greatly appreciate it! Thanks for your support!
