How to be Successful

To succeed in AP World students should

- **Regularly** read from textbook (digital and physical versions available)
- Complete their **guided readings** AND their Unit **Spice-T chart**.
- **Engage** and **participate** in class
- Historical writing requires **knowledge** AND **making an argument**. Students cannot just describe events, they must be able to make an argument about cause, change, continuity, and make comparisons using specific historic evidence.
- Specific **historic evidence** is taking from at home reading of the textbook and in class activities.
