Grading Policy continued...

Recovery of Majors

If a student scores below 75% on a major assessment, they will have one recovery attempt available to them. The highest score available to them will be a 75%. Before being re-assessed, a student will need to complete missing work and/or a recovery process designated by the teacher to ensure the student has better mastery on the content. The original score will remain if a student scores lower on the second attempt. The original score will be noted in the comment section of Infinite Campus if a student scores higher on the second attempt.

Missing Work

Students will have equal number of days they are absent to complete any work or take any assessments for full credit whether the absence is excused or unexcused.

Missing work will be labeled in Canvas with a zero and comment of Missing. that will reflect a zero in the gradebook until it is completed. The zero will be put in within two days of the absence to ensure parents and students can see their accurate grade in Canvas.

Expectations & How to be successful

- Use your time in class wisely
- Learn how to study -> don't know how? Just ask!
- Turn in work on time
 - There will be homework (GRWB) at least 2-3 times per week.
 - Late work is accepted two school days after absence. Any later and 10 pts are deducted per day on Major and Minor assignments.
