Dual Enrollment - Dual Enrollment (DE) is a unique enrichment program in which high school junior and senior students are given the opportunity to take college courses in their own high school through Germanna Community College's program.

Advanced Placement Courses - Advanced Placement (AP) Courses offer students an opportunity to do college-level work. AP courses are offered through an agreement with the Education Testing Service. These are courses with a standardized curriculum that generally matches the introductory level in the subject area at the college level.

Blue Ridge Virtual Governor's School - The Blue Ridge Virtual Governor's School (BRVGS) is an academic year governor's school that provides a challenging and differentiated program of studies in core academic subjects, emphasizing mathematics, science, and technology.

Future Educators Academy - Future Educators Academy (FEA) is a Virginia College Partnership Laboratory School where students earn a full associate degree through dual enrollment and step straight onto a fast track to teacher licensure. FEA features specialized transfer agreements with four-year institutions across the Commonwealth so you can finish your bachelor's and earn your teaching license two years after high school graduation.
