About Me.....

- This is my 17th year teaching
- Graduated from Kennesaw State with a Bachelor of Science in Chemistry
- MEd in Secondary Science Education and EdS in Chemistry Education
- Married and have 2 littles

Purpose

- Students are responsible for conducting and creating an original project that expresses their interests
- Should leverage the work done in Pinnacle Prep, the skills gained in Pathways, and the knowledge obtained in core classes
- All content and instruction can be found on the Canvas page for the course.

Expectations

- How to be successful
 - Be curious
 - Be creative
 - Have a positive attitude

This is a course of individualized exploration. The expectation is that the student will seek knowledge and be able to convey this in a summative Pinnacle project

Course Support

- Talk to your teacher in class
- Connect with experts in the school
- Tutoring is available on Flex Friday mornings

If there is a need for support, please reach out! We have student mentors and sources to help!
