

# HEY SENIORS,

PURCHASE YOUR YEARBOOK, SENIOR TRIBUTE AND UPLOAD YOUR SENIOR PORTRAIT AT **YEARBOOKFOREVER.COM**

## SENIOR PORTRAITS

Please plan ahead. Senior portraits should be taken by early November to allow photographers enough time to prepare images for the yearbook.

Students may choose their own photographer for senior portraits. Please inform your photographer of the following requirements:

- Submit **one vertical, head-and-shoulders portrait**
- Image must be in **JPEG format** (no TIFF or PNG files)
- Photo must be **300 DPI or higher at final print size** (2½" x 3½")
- **No props, hats, or hands touching the face**
- **No borders, special effects, or text**
- **No logos or student names on portraits**
- **No Snapchat filters or screenshots**
- **Simple, neutral backgrounds are recommended**

We understand that this more formal head-and-shoulders pose may not be your favorite or the one you choose to share with friends. However, these guidelines ensure consistency and high-quality printing in the yearbook.

The yearbook staff reserves the right to **crop or decline any portrait** that does not meet these requirements.

To be in the senior portrait section of the yearbook, you must submit a photo by January 15, 2027
