

CHS Breakfast

Cafeteria Manager: Patricia Bolton, 706-857-7229
School Nutrition Director: Brandie Wooten, 706-859-3054

OCTOBER 2026

Michigan produces the highest total weight, approximately 150 to 160 million pounds of squash per year. California ranks 2nd in squash production, yielding a large variety of squash such as zucchini and butternut. Florida leads the U.S. in harvested acreage for squash and summer squash production, while New York, Oregon, and Georgia contribute large quanitities to the national supply of squash.
