

Good Morning,

Any student who wishes to get a Senior proof picture, MUST sign up for a scheduled Senior picture time in the Main Office (unless you already did one at another studio).

If this is not done, the school ID picture will be the one used for the yearbook.

An email was sent with a direct link to pay your \$10 sitting fee. If you have not received an email you may contact Kaiser Studio or your school to receive your ordering code.

Please do not share the link that is emailed to you from Kaiser, as they are specific to each student.

A yearbook pose MUST be selected by 10/26/2026 to be processed in time for the yearbook deadline. Once Kaiser processes the images at their office, they will email a link to you so you can select your headshot for the yearbook. If a pose is not selected, they will select one for you. If a cap & gown pose is selected, they will change the selection to a head & shoulder pose.

Once Kaiser submits your yearbook images all parent/student requests regarding pose changes, etc. will be directed to the yearbook adviser. Kaiser will NOT make any changes to a pose selection without written permission from the yearbook adviser.
