Welcome to New Renaissance Middle School!

Turning Up the Heat for Excellence in 2026-2027

Dear Students, Families, and Community Partners,

Welcome to an exciting new school year at **New Renaissance Middle School**, where we are committed to academic excellence, innovation, and student success. As we begin the 2026-2027 school year, our theme, **"Turn Up the Heat,"** reflects our commitment to raising expectations, increasing opportunities, and igniting a passion for learning in every student.

I am incredibly proud that New Renaissance Middle School is a **back-to-back "B" rated school**, a testament to the hard work, dedication, and perseverance of our students, teachers, staff, and families. This achievement motivates us to continue building momentum as we strive for even greater success.

At New Renaissance, students benefit from exceptional opportunities including our **International Baccalaureate (IB) Middle Years Program**, **Performing Arts**, **Middle School Athletics**, **Verizon Innovative Learning Lab**, **Industry Certification courses**, and numerous **high school credit options** including Algebra I, Geometry, Biology I, Spanish I, and Spanish II.

Our goal is to ensure that every student is challenged, supported, and inspired to reach their highest potential. Whether in the classroom, on the stage, on the field, or through innovative learning experiences, students at New Renaissance are developing the skills needed to thrive in high school, college, careers, and beyond.

This year, we invite our families to partner with us as we continue to create a culture of excellence, achievement, and belonging. Together, we will **turn up the heat on learning, leadership, and student success**.

Thank you for choosing New Renaissance Middle School. We look forward to an amazing year filled with growth, achievement, and unforgettable experiences.

Let's Turn Up the Heat and Make 2026-2027 Our Best Year Yet!

Warm Regards,

Earnest C. Toliver
Principal
New Renaissance Middle School
