FREMONT SCHOOL D79 OLD SPONSORED

PARENTS' GUIDE TO SCHOOL SAFETY PROTOCOLS

Join us for our first Parent University session of the year, focused on school safety, where we will dive into the essential protocols used to keep your children safe every day. This session will take an in-depth look at the 'I Love You Guys' Foundation's Standard Response Protocol (SRP)—exploring the key concepts of Hold, Secure, Lockdown, Evacuate, and Shelter—while also covering the ALICE active threat response framework. By learning the exact vocabulary and procedures taught to our students and staff, you'll be better equipped to partner with us in the event of an emergency situation.
