

Dear Families,

I would like to take this opportunity to warmly welcome you and your child to kindergarten! My name is Mrs. White, and I am excited to be your child's special education teacher/IEP case manager this school year.

I have been teaching in the Central Bucks School District for over 25 years. Throughout my career, I have had the privilege of working with students of diverse learning styles and abilities. I am passionate about helping each child reach their full potential by providing a supportive, positive, and inclusive learning environment.

Kindergarten is such a special year. It is a time of learning, laughter, friendship, and exploration. One of the greatest joys of teaching is watching students grow in confidence, make new friends, discover new things, and celebrate their accomplishments throughout the year.

This year, I look forward to getting to know your child, celebrating their strengths, and helping them achieve their individual goals. Building strong relationships with students and families is very important to me, and I value open communication throughout the school year. Working together as a team, we can ensure that your child has a successful and rewarding educational experience.

Please do not hesitate to reach out with any questions, concerns, or information you would like to share about your child. I am excited to partner with you and look forward to a wonderful year ahead!

Warmly,

Mrs. White
