

What is a School-Parent Compact?

The compact must describe how the school will:

- provide high-quality curriculum and instruction
- hold parent-teacher conferences, annually in elementary schools;
- provide parents with reports on their child's progress
- provide parents reasonable access to staff
- provide parents opportunities to volunteer
- ensure regular two-way meaningful communication between family members and staff, in a language family members can understand

You, as a Title I parent or family member, have the right to be involved in the development of the compact.

You will receive a copy of the School-Parent Compact tonight. There are always extra copies in the office.
