Attendees:

Section	Notes
Component #1 **Comparison to Model LSWP** Use the WellSat Assessment to compare our Wellness Policy to a model policy.	1. WellSat Overview 2. What are our areas of strength? 3. What are our opportunities for improvement? 4. Decide whether new Wellness Policy language will be adopted.
Component #2 **Extent of Compliance** Assess whether our school is following the guidelines we set in the policy.	1. What are we already doing well? (Ex. Students, staff, and families are all following the DoorDash policy outlined in our Wellness Policy) 2. What do we need to work on? (Ex. Our wellness policy states that we can't use food as incentives, but teachers are still using candy as a reward)
Component #3 **Progress Made in Reaching LSWP Goals** Review the wellness goals we set in our Wellness Policy and our progress towards meeting them.	1. Review our current goals. 2. Assess our progress towards meeting each goal.
Component #4 **Housekeeping and Public Reporting**	1. Delegate tasks (Ex. Who will post assessment docs to the school website? Who will update the Wellness Policy and submit the updated version for board approval?)
