

ORANGEWOOD CHRISTIAN SCHOOL

FOR A CHRIST-FIRST EDUCATION

The mission of Orangewood Christian School is
to equip students to transform the world for Christ and His Kingdom.

SPIRITUAL DEVELOPMENT

Every academic subject is taught from a biblical world view. Spiritual development within the classroom is accomplished through daily devotions, prayer, small groups, chapel programs, Bible study, and Christian character emphasis. Our students are involved in community outreach, summer missions, and numerous chapel and worship experiences throughout the year.

ACADEMICS

Orangewood Christian School provides a Christ-first, college preparatory education, designed to prepare students' minds and hearts to make a positive impact in the world now and in the future. At all grade levels, well-qualified teachers use an effective blend of educational technology, experiential learning, and traditional instructional methods to encourage all students to become better thinkers and problem-solvers. High school offers a rigorous honors and AP (advanced placement) program for qualified students, as well as DE (dual enrollment) through a variety of colleges and universities.

SPORTS

Our FHSAA athletic programs include baseball, basketball, beach volleyball, cheerleading, cross country, tackle football, flag football, golf, lacrosse, soccer, softball, swimming, tennis, track & field, volleyball, and weightlifting.

FINE ARTS

Our Fine Arts program is recognized locally, statewide, and nationally for art, band, choir, and drama programs.

WEBSITE

orangewoodchristian.org

Orangewood Christian is a co-educational, Christ-first, college preparatory school for grades K4-12. Orangewood Christian was founded in 1980 as a ministry of Orangewood Church, PCA. Our two campuses are located in Maitland, a suburb of Orlando, Florida. Teachers are certified in the state of Florida and more than 46% have advanced degrees.

Distinguished School

Orangewood Christian's lower school program provides a strong project-based academic foundation. Primary students, K4-3, develop literacy skills through a phonics-based reading program emphasizing quality literature, reading comprehension, writing, spelling, and grammar. Math programs for grades K4-6 encourage students to think critically while making meaningful connections across content area. Science programs, K4-6, emphasize hands-on learning.

COMMUNITY OUTREACH AND OPPORTUNITIES

Students have many opportunities to impact the community. Each grade level chooses several community service activities to complete throughout the year, through outreach such as Ansley Court of Maitland, Advent Health for Women & Children, BASE Camp Kids Cancer Foundation, US Hunger, and Clean The World.

Because all students are created in God's image, loving and teaching students well is very important to us. The middle school years are a time of transition and growth for students as they leave their elementary years behind and prepare for a challenging high school academic program. In addition to the core academic classes, students can choose from a wide variety of electives and after school opportunities as they begin to discover their interests, gifts, and talents. All curricular and co-curricular offerings are taught from a Biblical perspective.

COMMUNITY SERVICE: LIVING OUT THE OCS MISSION

Middle school students are required to complete 16 hours of community service each year - not just to meet a goal, but to live out our mission: Equipping students to transform the world for Christ and His Kingdom. Whether they are serving at school or in the community, each hour is a step toward becoming faithful leaders who reflect Christ through action, compassion, and commitment.
