Service-Learning is a form of experiential learning whereby students apply content knowledge, critical thinking and good judgment to address genuine community needs.

Service learning is a MACCRAY graduation requirement intended to help students discover the personal satisfaction of volunteering their time and talents for the benefit of others. The MACCRAY Board of Education has determined that starting with the Class of 2012 each student must accumulate 80 hours of service learning to receive a MACCRAY diploma. Service hours may be accumulated in four different areas: **school, community, church, individual/non-profit organizations.** A signature is required to verify that the service was completed. This signature must be from the person who benefited from your service, not your parent.

Area: S = School, C = Community, CH = Church, I = Individual
