HOLLY W. SAYRE
Superintendent of Schools

7/1/2026

Student wellness checks are required by law for all students enrolled in a full-time cyber school program and must be completed each week of the school year.

Because your child did not complete the required wellness check, despite numerous communications sent to both you and your child, the Carbondale Area School District is now required to send a home and school visitor to your residence.

During the visit, the home and school visitor must visually confirm your child's presence and speak with your child to verify their well-being. Failure to cooperate with this requirement—or failure to complete future weekly wellness checks—may require the home and school visitor to immediately make a report to the Pennsylvania Department of Human Services and/or other appropriate governmental or law enforcement agencies, depending on the circumstances.

Your child's cooperation with this home visit will satisfy the wellness check requirement for the previous week. However, your child must complete the current week's wellness check by Friday. If the check is not completed, the process will begin again.

Mr. James Kielar – Carbondale Area School District Cyber Coordinator is available to meet with your child 8am – 3pm Monday - Friday. Please contact Mr. Kielar at 1-570-282-4500 x1241

Thank you for your cooperation in this matter.

The Carbondale Area School District
