

Volusia County School
Building Department
Inspection Type List

Building	Plumbing
Electrical	Roof
Gas	Site
Mechanical	Portable

All Inspection Requests are on SagesGov. Requests must be received Monday - Friday ONLY.

Request inspection before 6 pm, the business day prior to inspection.

To cancel an inspection, we first require a phone call to **386-734-7190 extension 50721** prior to the **inspection and the inspector being on-site**. If no one answers the phone, leave a message.

A cancellation must be made on SagesGov after the call.

Pre Demolition	Tilt Panel Base Clip	Building Sewer Pipe 1 st Rough-In (Underground)
Demolition Final	Tilt Panel Opening Block Out	Building Water Pipe 1 st Rough-In (Underground)
Piling	Tilt Panel Encompassing All Trades (MEP)	Building Sewer Pipe 2 nd Rough-In (Aboveground)
Footing Trench & Rebar	Storefront Framing (Interior)	Building Water Pipe 2nd Rough-In (Aboveground)
Foundation Wall	Window Sealant	Backflow Preventers
Foundation Piers	Building Other	Plumbing Other
Foundation Welds	Building Final	Plumbing Final
Slab-Termite Treatment	Temporary Construction Service	
Slab	Electrical Site 1st Rough-In (Underground)	Roof Drainage Rough-In(Underground)
CMU Reinforced Cell	Electrical Site 2nd Rough-In (Above ground)	Roof Drain Rough
Concrete Columns	Electrical Bldg 1st Rough-In (Slab)	Roof Drain Hydro Test
Concrete Beams	Electrical Bldg 2nd Rough-In (Walls) Wall Panels	Bacteriological Test
Concrete Tie Beams & Lintels	Electrical Bldg 2nd Rough-In (Ceiling)	Roof Insulation
Brick Veneer /Flashing Installation	Fire Alarm Test	Roof Dry-In/Flashing
2 nd Floor Framing / Welds	Light Pole Installation	Roof Deck Fasteners
3 rd Floor Framing / Welds	Electrical Service Change Out	Roof Coating
2 nd Floor Slab	Electrical Temp/ Permanent Service	Gutter
3 rd Floor Slab	Electrical Sub Panels	Roof Other
Concrete Stair & Landing	Intercom	Roof Final
Roof Framing	Lightning Protection	
Roof Decking	Concrete Encased Electrodes	Construction Barricades
Slab on Metal Deck	Electrical Other	Site Water Line
Exterior Wall Sheathing	Electrical Final	Site Sewer Line
Exterior Waterproofing /Brick Ties		Site Fire Line
Exterior Wall Insulation	Fire Line (Underground)	Site Electrical
Exterior Soffit/Fascia Framing	Fire Sprinkler Pipe(Aboveground)	Play Structures-Foundations
Ceiling Framing	Fire Sprinkler Other	Play Structures-Final
Wall Framing	Fire Sprinkler Final	Bleachers/Grandstand Foundation
Interior Wall Insulation	Site Gas Rough-In (Underground)	Bleachers/Grandstands Final
Fireproofing Spray	Bldg Gas Slab Rough-In	Well
Drywall Screw Fastening	Bldg Gas Above Slab Rough-In	Landscaping
Lath Fastening	Gas Other	Site Stormwater
Soffit Insulation	Gas Line Final	Site Drainage
Soffit Panels		Sidewalk
Exterior Door Installation	Mechanical Chilled water Piping 1 st Rough-In(Underground)	Fence & Gates
Exterior Window Installation	Mechanical Chilled water Piping 2 nd Rough-In (Aboveground) Wall	Paving & Sitework
Hurricane Shutters	Ductwork and Sealant	Site Other
Walkway Canopy Footing	Duct Insulation	Site Final
Fire Rated Wall/Floor Penetration	Mechanical Equipment	
Flagpole Foundation	Exhaust Hood	Site Utilities-Water Rough-in
Building Accessibility Signage	Exhaust Hood Fire SuppressionTest	Site Utilities-Sewer Rough-In
Storage Shed	Pressure Test	Site Utilities-Electrical Rough
Epoxy Anchorage	Louver Installation	Ramps/Stairs
Above Ceiling Prior to Cover Up	Smoke/Fire Damper	Portable Relocation Final
Tilt Panel Reinforcement	Mechanical Other	
Tilt Panel Embeds	Mechanical Final
