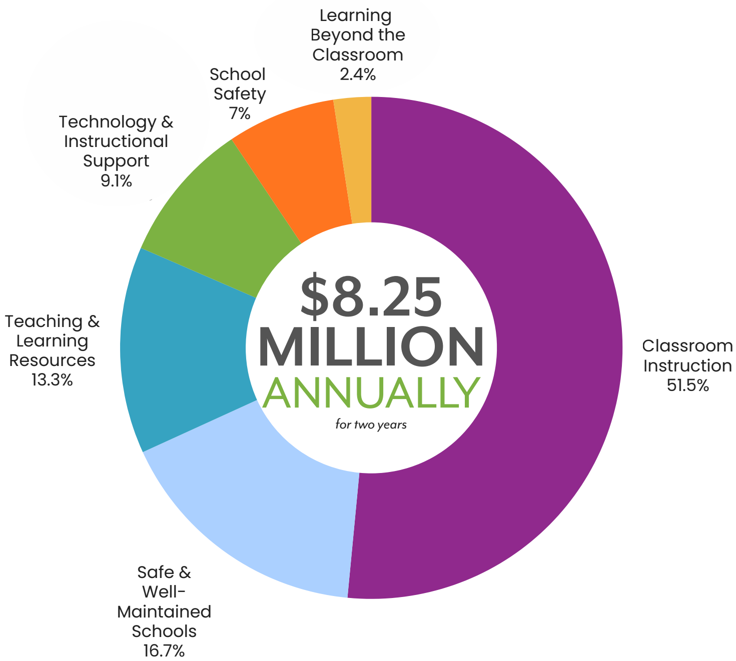
WHAT IS THE SUPPLEMENTAL LEVY RENEWAL?

A Supplemental Levy is a renewable, voter-approved levy that generates funds that Idaho school districts can use to maintain their local operating costs.

For the 2025-2026 school year, the Supplemental Levy funded approximately 8 percent of PCSD 25's operating costs. The funds from the Supplemental Levy are used to deliver high quality educational and support services to the more than 11,000 learners who live within the boundaries of the Pocatello/Chubbuck School District 25.



LEVY FACTS

- **THIS IS A RENEWAL OF AN EXISTING SUPPLEMENTAL LEVY**
  This is a renewal election for the existing levy that has been community-supported since 1949 – more than 75 years.
- A supplemental levy election asks citizens for additional property tax dollars to support the operation of local schools.
- The levy requires a SIMPLE MAJORITY to pass.

LOCAL SUPPORT FOR LOCAL LEARNERS

PCSD 25 uses a supplemental levy to bridge the gap between state/federal funding and local needs. Despite increased state funding:

Nearly 80% of Idaho's school districts rely on supplemental levies to operate.

APPROXIMATE COST TO LOCAL HOMEOWNERS

FISCAL YEAR	ESTIMATED LEVY RATE	ESTIMATED MONTHLY PAYMENT (per $100,000 taxable value)	ESTIMATED ANNUAL PAYMENT (per $100,000 taxable value)

ACTUAL SUPPLEMENTAL LEVY RATE OVER TIME

State property tax relief fully offset the local Supplemental Levy rate in 2025 and 2026.
The voter-approved levy remained in place, but no local property tax was collected for this levy.

WHAT IS THE PROPOSED LEVY?

- If passed, the Supplemental Levy will renew $8.25 million in funding per year for two years.
- The levy amount requested by PCSD 25 remains unchanged from the last renewal, maintaining the current level of funding for educational services.
- If passed, PCSD 25 will receive a fixed amount of funding as approved, regardless of any increases or decreases in property values across Bannock County.
