Welcome Back

It is so nice to see all these lovely new faces! I am beyond excited for a wonderful school year with your students.

Snacks

In Kindergarten we have a long wait after breakfast until we eat again. I will need parent support to keep snacks supplied the whole year. Reminders will be in letters home and on dojo!

What are we Learning?

In reading we will be learning about the alphabet. We will be learning names of letters and the sounds that they make. Practice at home recognizing the letters and saying the sounds with your children

In math, we will be working on identifying and recognizing the numbers 1-5. Practice with your student by counting with them at home.

In writing, we will be focusing on writing our names. I will be sending home name writing pages in the first week so you have the option to practice at home.

What to Expect!

We will spend lots of time learning classroom routines, practicing transitions, and getting comfortable with our school day. We will often talk about expectations, kindness, listening, safe choices, and how to be a successful classroom learner. There is going to be a lot that goes into our day. Kindergarten is such an integral part of the educational journey and I want to support you during that time. So if you have any questions or concerns please feel free to contact me by phone, Dojo or email!

Communication

Be on the watchout for an email for **Class Dojo**.
