Adult Education Fee Policy 2026-2027

Valley Adult School does not charge fees of any kind for any of our classes or programs.

All classes are offered free of charge for all Adult Education students.

All students will be supplied with classroom books, supplies and materials free of charge. Students may choose to purchase additional copies of classroom books or career course materials for personal use.

Our intent is to ensure our students do not face barriers in accessing our classes and programs. All necessary on campus materials and resources for Adult Ed programs will be supplied free of charge.

Legislation:

Based on California *Education Code (EC)* 52612(a), the Adult Education Office (AEO) has determined that program fees are prohibited for all adult learners without a high school diploma or its equivalent when taking classes for which high school credit is granted. Specifically, *EC* Section 52612(a) provides in relevant part: ". . . A fee charge shall not be made for a class designated by the governing board as a class for which high school credit is granted when the class is taken by a person who does not hold a high school diploma . . . ". Additionally, *EC* Section 52612(a) provides that no fees shall be charged for classes in English and citizenship or elementary subjects (except that certain nonimmigrant foreign nationals shall be charged a fee for such classes, as provided in *EC* Section 52613).

Because WIOA, Title II: AEFLA itself does not specifically prohibit charging such fees, the AEO in this Bulletin identifies the prohibitions stated above as state-imposed.
