Are they using them in the school or just have access to them?

Bellevue Police Department has access to them. We have Bellevue SROS. Maybe that is where is coming from.

Thanks for the quick reply. I definitely will. I also checked with OPD and they are not using either. Just think there is some "gossip" out there and thought I would go directly to the source.

What the heck. No. If someone is using them it is not because it has been approved!

Please let me know if you find anything else out.

Matt

I hope the new school year is going well for you. I am sure that it is a very busy time. Just a quick question, I was told this morning that OPS allows the use of a taser G.L.O.V.E. by staff on students. Just thought that I would go directly to the source.
