Failure to change into the appropriate uniform may result in a loss of preparation points, as well as the inability to participate in class for the day.

JEWELRY

- Any jewelry that can be considered dangerous to a student or others around them must be removed in the locker room before PE class. This includes, but is not limited to, necklaces, bracelets, hoop earrings, dangling earrings that dangle, rings, and non-fitness watches.
- Students may wear small stud earrings if they are not considered dangerous. Dermals are permitted if they are under clothing. Small stud piercings in the nose or other parts of the face are allowed.

- Students wearing jewelry considered dangerous cannot participate in class and will lose points accordingly.

LOCKS, LOCKERS, & VALUABLES

- Each student will be issued a lock and locker to access during every physical education class. Locks must be returned at the end of the year or the student will be fined $10.
- The students must record their combination and keep it on file in the Physical Education Office.
- ***It is highly recommended that all valuables be locked up.*** This must be done before you exit the locker room to go to class. We cannot be responsible for lost or stolen items or uniforms. Cellphones are to be locked in the students locker during class. As per district policy, **use of cellphones during PE class, for any reason, will result in a discipline referral being submitted.**

LATENESS/MISC.

The gymnasium is a classroom, and as with other classroom settings, the following rules are enforced:

- No behavior that could interfere with teaching and learning will be tolerated.
- Students must come to class on time. The doors are locked when the bell rings. The school's discipline policy regarding lateness will be enforced.

- If a student is so late to class that everyone has exited the locker rooms and class has started, the student will not be permitted in the locker room to change. This will result in a loss of credit for the day.
