

Crowley ISD Points of Pride

Thursday, August 27, 2026

1. Red Carpet Welcomes

One of the best parts of the first day of school in Crowley ISD is the red carpet welcome at every campus. We want to say “thank you” to our faith-based and community partners for making time to clap, cheer and celebrate as our students started the new school year.

2. Superintendent Leadership Team

Student voice matters in Crowley ISD and, earlier this month, student leaders gathered from Crowley High School, North Crowley High School, Crowley Collegiate Academy and the Bill R. Johnson CTE Center as members of the Superintendent’s Leadership Team.

Their insight, ideas and leadership will help shape important conversations and decisions across our district. By ensuring students have a seat at the table, we are building a stronger Crowley ISD together.

3. School Supplies Donation

We love when our community gives back to our students and staff, but it’s even more special when it’s coming from a former student. We want to give a huge THANK YOU to North Crowley High School alum **Ka’Morreun Pimpton** and the **Keep Pushin, LLC** for generously donating school supplies to his former schools, J.A. Hargrave Elementary School and Summer Creek Middle School!

Good luck this season with TCU Football. We’ll be cheering on #88 all season long!

4. New Employees Welcome

More than 350 new teachers and staff received a red-carpet welcome during New Professionals Orientation in July, hosted at North Crowley High School.

School Board members, campus leaders, Future-Ready Ambassadors and Central Administration staff lined the entrance with signs, pom-poms and plenty of applause to celebrate the newest members of the Crowley ISD family.

We’re excited to have you on the team and can’t wait to see the impact you’ll make in our classrooms across our district!

5. Community Champions

This week, Crowley ISD leadership joined city and community leaders today for the Texas Football Dream Community Legacy Gathering, featuring Crowley High School alum alumnus, College Football Hall of Fame inductee and two-time Super Bowl Champion Gary Reasons.

He is a proud Eagle on a mission to strengthen the culture and leadership in communities across Texas. And that's the definition of Excellence Every Day!

6. CHS Football Coach

We are proud to recognize Crowley High School Head Football Coach **Carlos Lynn**, who was recently named President-Elect of the Texas High School Coaches Association.

This is a tremendous honor and a reflection of Coach Lynn's leadership, commitment to his profession, and dedication to helping coaches and student-athletes across the state of Texas. Coach Lynn, congratulations on this well-deserved honor. Crowley ISD is proud of you, and we look forward to seeing the impact you will make on coaches and students across Texas.

7. Coach Erin Crocker

Every school year is special, but this school year marks an incredible run of 43 years of dedication to Bess Race Elementary by our very own Coach Crocker!

Coach Crocker started working at Bess Race when it was located at 512 Peach Street, and for 43 years, she has poured her heart into generations of students, families and staff. Mr. Johnson, a current teacher at Bess Race, had Coach Crocker as his teacher when he was a Bess Race third grader! And now, Coach Crocker's own grandchild is a first grader at Bess Race!

Thank you Coach Crocker for your years of dedication to Bess Race and Crowley ISD.
