Burgettstown Middle/High School

Profile 2026-2027

PROGRAM OFFERINGS:

Advanced Placement (AP) Courses – The AP Program is sponsored by the College Board and provides opportunity for students to take college level courses during high school. Students take the comprehensive exam at the end of the course to potentially earn college credit based on a qualifying score. AP courses offered include: AP Biology, AP Calculus A/B, AP Chemistry, AP Computer Science A, AP English Language, AP English Literature, AP German Language, AP Psychology, AP Statistics, and AP US History. *Not all courses are offered every year. AP courses are awarded an additional 1 quality point for GPA calculations.

Honors Courses – Honors courses offered at the high school include: Honors English 9, Honors English 10, Honors English 11, Honors English 12, Honors Economics, Honors Sociology, Honors Geometry, Honors Algebra 2, Honors Pre-Calculus, Honors Biology with Lab, Honors Chemistry with Lab, and Honors Physics with Lab. Honors courses are awarded an additional 1 quality point for GPA calculations.

Dual Enrollment Courses – Dual enrollment programs and classes are available to students in grades 11 and 12. In cooperation with the Community College of Beaver County, our students have the opportunity to participate in half-day dual enrollment High School Academies in programs that include: Aviation, Business, Criminal Justice, Cybersecurity, Education, Engineering & Computer Science, and Healthcare. Eligible students also have the ability to take traditional dual enrollment courses at other colleges and universities.

Western Area Career & Technology Center (WACTC) - WACTC provides students the opportunity to explore a variety of trade and service careers in an educational setting. Students in grades 10- 12 who enroll at WACTC complete their core academic curriculum at Burgettstown and their elective portion at WACTC. Students earn 4 elective credits each year of successful completion. Programs offered at WACTC include: Automation & Robotics Engineering Technology, Automotive Mechanics, Carpentry, Collision Repair Technology, Cosmetology, Culinary Arts & Baking, EMT & Protective Services, Electrical Occupations, Health Assistant, Heating, Ventilation & Air Conditioning, Machine Shop, Masonry, Networking, Rehabilitation Aide / Sports Medicine, and Welding.
