## Coral Park Campus Safety Guidelines

At Coral Park, the safety of our students and staff is our top priority. To enhance security across all schools, the District is implementing updated safety guidelines. One key change is that **all perimeter gates will be locked once the school day begins**.

We ask for your partnership and support in following these expectations for arrival, dismissal, and campus access:

### If a Gate Is Locked

- Please call the school at **754-322-5850**.
- A staff member will assist you as soon as possible. Please allow extra time in case of delays and plan accordingly.

### Campus Entry

- Be prepared to:
  - **Show a valid photo ID**
  - **State your reason for visiting the campus**
- We appreciate your cooperation and a positive attitude, which our staff is happy to return in kind.

### Forgotten Items

- Help foster your child's independence by ensuring they arrive prepared—with homework, lunch, laptops, etc.
- If you must bring a forgotten item, be aware that you may need to **wait at the gate** for assistance. We understand that these safety procedures may cause delays, especially during bad weather or times of limited staff availability. Your patience and cooperation are greatly appreciated as we work together to ensure a safe learning environment for all students.

### Coral Park Arrival and Dismissal Procedures

To ensure a safe and smooth arrival and dismissal for all students, please carefully review and follow the procedures outlined below:

#### Morning Arrival

- **Breakfast Program:** Students participating in the breakfast program may enter the cafeteria starting at **7:15 AM**.
  - Breakfast service ends at **7:45 AM** to ensure students are in class by **8:00 AM**.
  - **There is no supervision before 7:15 AM**—please do not drop off students early.

- **Parent Walk-Ins:** If you are walking your child onto campus, please say your goodbyes at the designated stopping points. Parents will not be permitted beyond these areas.
- Coral Park staff and Safety Patrol members will assist students to their designated areas and provide supervision throughout morning arrival.

## Afternoon Dismissal

- **Dismissal Time:** All students are dismissed at **2:00 PM**.
  - **There is no supervision after 2:30 PM.**
  - Students not picked up by the end of the car line must be signed out from the front office by an authorized adult with proper identification.

## Car Line Procedures

- **Remain in Your Vehicle:** All drivers must stay inside their cars to maintain a smooth and safe traffic flow.
- **Do Not Cross Through the Car Line:** For safety reasons, students and parents may **not cross** the car line to enter or exit the parking lot.
- **No Cell Phone Use:** Refrain from using your phone while driving in school parking areas.
- **Car Placards:** Place your **CurbSmart car line placard** on your dashboard so staff can easily identify your child.
  - If you **do not have your placard**, you will need to **park, enter the office with ID, and sign out your child.**

## Walkers

- Students walking to and from school must **use only designated crosswalks** supervised by a crossing guard.
- Parents meeting walkers should wait at the **walker gate**. Please do **not walk into the car line area** to pick up your child.

## Dismissal Changes

- All changes to your child's dismissal routine **must be submitted in writing** to the teacher.
- For your child's safety, **dismissal changes cannot be accepted over the phone.**

Thank you for your continued cooperation in helping us maintain a safe and orderly school environment. If you have any questions, please contact the school office.

## Coral Park Attendance and Truancy Policies

Student attendance is not only essential for academic success—it's also **required by law**. Please review the following policies and procedures to ensure compliance and support your child's learning.

## Mandatory Attendance

In accordance with **Florida State Statute 1003.21** and **School Board Policy 5.5**, school attendance is **mandatory for children ages 6–16**. Parents are legally responsible for ensuring their child attends school daily.

- **Student attendance is monitored by the State Attorney's Office.**
- Parents of students with a **pattern of non-attendance** will receive a formal notice, in person or by registered mail, indicating that the **intervention process has begun**.

## Why Attendance Matters

Daily attendance ensures that students do not miss valuable instruction. Frequent absences can negatively affect academic progress and achievement.

## Early Dismissal Policy

To maintain a safe and orderly dismissal:

- **No early dismissals are allowed within the final 30 minutes of the school day.**
  - **1:30 PM on regular school days**
  - **11:30 AM on Early Release Days**
- Students are expected to remain in class from **8:00 AM to 2:00 PM**.

## Pattern of Non-Attendance

A student is considered to have a "pattern of non-attendance" if they accumulate:

- **30 hours (5 days)** of absence during a single marking period, or
- **60 hours (10 days)** of absence within 90 calendar days.

Please refer to the **BTIP (Broward Truancy Intervention Program)** information included in your child's first-day packet for more details on consequences for unexcused absences.

## Understanding Dismissal Terminology

- If you plan to **meet your child at dismissal**, they must be listed as a **walker**.
  - Indicate the correct **walker gate** (Riverside or Westview) on the dismissal form.
  - Students riding bikes are also dismissed as walkers.
- **Parents are not allowed to wait on sidewalks within the car rider areas** (front or back of school). These areas are restricted to staff and students being picked up by car.
- If your child is a **car rider**, please:
  - Stay in your vehicle.
  - Make sure your child knows **which pick-up area** (front or back) to expect you in.
  - Do not tell your child to "go out with the car riders" so you can walk to meet them—**this causes confusion and delays**.

*The first two weeks of school may have longer dismissal times as routines are established. Reassure your child that it may take a few minutes, but you will be there.*

## Aftercare Information

- **CAS Aftercare** is Coral Park's on-site aftercare provider. CAS staff escort students from their classrooms to the cafeteria at dismissal.
- Students attending **off-campus aftercare programs** are dismissed with bus riders. These providers must pick up from the **bus loop**.
- Be sure your child and teacher know the **name of your aftercare provider**.

## Rainy Day & Emergency Dismissal

Please make **rainy day and emergency dismissal plans in advance** with your child. We **cannot accommodate last-minute phone changes**.

- Students **will not be allowed to walk or ride home during a thunder or lightning storm**.
- Be sure to complete and update your **Student Emergency Contact Card**, especially if your contact information or procedures change.

## Reporting Absences

Parents must report absences:

- On the day of the absence or no later than the **second day after**.
- Call **754-322-5852** and leave a voicemail with your child's **name, date, and reason**.
- You may also report absences online at: [Report an Absence](#)

**Unreported absences will be marked unexcused.**

## Excused Absences Include:

- Illness of the student
- Illness or death in the immediate family
- Religious holidays
- Required court appearance or subpoena
- Special events (e.g., state/national competitions) with **advance approval**
- Pre-arranged medical appointments
- Communicable diseases or infestations

**Vacations are not excused absences.** Please plan trips during school breaks.

## Tardiness

Students must be in class by **8:00 AM**.

- Students arriving after 8:00 AM are **considered tardy**.
- Parents must **park, show ID, and sign in their child** at the front office for a tardy pass.
- **Tardies count toward the Attendance Policy**. Excessive tardiness may result in referral to the district's social worker.

Thank you for supporting your child's education by promoting consistent and timely school attendance. If you have any questions about these policies, please contact the school office.

Each month the school recognizes student birthdays with a **"Happy Birthday!"** celebration during the grade level lunch. Students eat on the stage with a buddy and receive a treat and little gift.

If you would like to send in a class treat for your child's birthday, these are the protocols:

#### What You Can Do:

- Parents should **notify the teacher in advance** if they plan to send a treat.
- **The treat must be individually wrapped, store-bought, peanut-free treats (such as cookies or granola bars).**
- Enough treats for every student in the class.
- Items that **fit inside the student's backpack.**
- **Treats cannot be dropped off at the front office for delivery.** The student needs to be able to take it to the classroom.
- The student is permitted to pass out invitations to an off-campus celebration as long as the invitation is distributed to every student in the class.

#### What You Cannot Do:

- **No balloons, flowers, or gifts** may be delivered to students at school.
- No cakes that need to be cut.
- **Homemade food items are not permitted** due to district food-safety requirements.
- Due to allergies, **goody or treat bags cannot be sent in to be distributed** to all the students.
- Celebrations are done during the school day, therefore **parents or family members cannot attend.**

We appreciate your support in keeping all of our students safe, included and celebrating together.
