What is the IA Pinnacle Project?

Similar to a Capstone Project

Choose a topic they are passionate
about

Investigate a problem or research a
gap in their field

Find a solution or answer
research question

Grading Scale

55% Major Assessments (extensive formal papers, projects, presentations at the end of a unit of study)

35% Minor Assessments (minor projects, writing assignments, etc. during a unit of study)

10% Practice (rough drafts, journal entries, classwork, homework assignments)

Extra Help!

We offer two sessions of extra help on Flex Fridays!

If students are missing an assignment or need extra time to complete their work, they are encouraged to attend.

Please sign up for extra help in the Flex Friday event website!
