WHAT IS A SCHOOL-PARENT COMPACT?

A school-parent compact serves as a conduit for conveying shared goals, expectations, responsibilities, visions, and best practices between teachers and families. By establishing a binding agreement between the school and home, the compact fosters a collaborative environment to work harmoniously towards the betterment of each student.

Compact Collaboration

To ensure its effectiveness, a collaboration was developed that included annual meetings being conducted to assess and modify the compact based on the school's academic achievement goals and the evolving needs of the students. Parents/guardians are encouraged to offer feedback on the compact throughout the school year, with all input being collected and reviewed during the yearly revision meeting with parents/guardians. For more information on the school-parent compact, please feel free to contact us at 817.299.7780 or visit our website.
