2026 In Person Officer Training

All SGC Officers (Council Chairs, Vice-Chairs, and Parliamentarians) are required to complete Officer Training (*unless completed in previous years*). Please note that this will be a more in

depth, hands-on training for newly elected officers. This is different from the Officer Training Module found in the Canvas Training.

Fall 2026 Cross Council Events

The Governance & Flexibility Team is excited to invite all School Governance Councils to our Fall Cross Council events—two engaging mornings designed to connect, collaborate, and inspire.

These sessions are a unique opportunity for SGC members to learn from district leaders, the Governance & Flexibility Team, and each other. They bring together councils from across the district, creating space for collaboration within feeder patterns and across grade bands.

Dates & Locations to be announced soon!

***** SY26-27 Council Initiatives: Review Council Self-Assessment. As a reminder, these were sent in the July Newsletter. Begin discussions to determine the focus of the council's upcoming work. Lean on your school's Strategic Action Plan to ensure the work of the council is aligned with the goals and initiatives being targeted by the school leaders. Task the council with prioritizing 1 – 2 initiatives the SGC could lead or support throughout the year.**

******VAF/Programmatic Updates**

All flexibility and programming submissions are due from schools by October 2nd and can be completed using the VAF/Programming Form located on the Charter System Website Flexibility page.

Schools should use the form to submit the following:

- **New Value-Added Flexibility Requests – Use the form to request any new flexibilities for the 2027-2028 school year.**
- **Updates on Current Flexibilities – All schools approved for value-added flexibilities since 2021 must submit an implementation update. If your school has multiple**

approved flexibilities, you may select them from the dropdown in the form and submit a single update on overall progress. A separate update for each flexibility is not required.

- **Magnet Program Updates/Requests – This includes requests for new magnet programs, updates on all current magnet programs, and notices of sunsetting or discontinuing magnet programs. All schools with magnet programs must submit an update for each program. Schools with multiple magnet programs will need to complete multiple forms.**

All submissions require School Governance Council approval and a 30-day public comment period. Instructions for managing the public comment process are available on the *Charter System Website*.

Schools wishing to opt-in to one of the four district preapproved waivers should complete the short *Opt-In Notice of Adoption* form and follow the linked instructions.

Please contact the Governance & Flexibility Team with any questions or to request additional support.
