*\*Please note that the 4:30 start time for Varsity games is an estimate. Varsity games are played directly after the JV games finish, therefore the start time for Varsity matches can vary.*

During the fall season, the volleyball and football teams travel together on the same bus to-and-from away games. Naturally, both events need to be finished for us to return to Grapeview. As some matches last longer than others, return times are approximate.

# 2026-2027 Volleyball Schedule

Board policy 6620 allows for the Grapeview School District to provide the transportation of students to and from a school-sponsored activity. It is permissible for the legal parent or guardian to transport their **own** child from an event in their personal vehicle if they first identify themselves to the teacher/coach of the activity **and** sign the release form which absolves the Grapeview School District of all responsibility. Students may **only** go home with their **own** parent or legal guardian and **may not** take “friends” home or go home with another family.

Please contact our principal, Mrs. Cindy Breeze if you wish to transport students for whom you are not the legal guardian.
