KINGSWAY REGIONAL MIDDLE SCHOOL

CLUBS/ACTIVITIES GUIDE

2026-2027

Revised: 07/15/26

Kingsway Regional Middle School is excited to offer a wide array of clubs and activities for the upcoming school year. Some of the clubs will run for a specific season, while others will be available throughout the entire school year. To make signing up easy and accessible for everyone, we use the Schoology Learning Platform for online registration. Students are encouraged to join groups that the activity advisors maintain so that students are alerted to activity dates and communications of activities by the advisors.

How to Sign Up For Clubs/Wellness Activities:

1. **Browse Clubs and Activities:** View the list of all available clubs and activities on our website under the "Clubs/Activities" tab. Each listing will have a unique Schoology code.
2. **Join the Club's Schoology Group:**
    - Log in to **Schoology**.
    - Go to the **"Groups"** tab.
    - Click **"My Groups"** in the top right corner.
    - Select **"Join Group"** from the options in the top right.
    - Enter the club's code to join. You can join as many clubs as you are interested in.
3. **Sign Up for a Session/Meeting:** On the day a club or activity meets, the club advisor will send a **Google Form** to all students who have joined the Schoology group. This form is where students will sign up for that specific after-school session.
4. **Confirm Your Spot:** Complete the Google Form to sign up for the session. Sign-ups are on a first-come, first-served basis and are only open between **7:40 AM and 8:08 AM** during enrichment/arrival time.
5. **Finalize Your Plan:** Each session can accommodate up to **30 students**. Once a student has secured a spot, they should contact their parents/guardian to let them know they will be staying after school.
6. **Getting Home**: Clubs end at 4:10 p.m., and students can take the late bus home or get picked up by their parents/guardian in the front parking lot.

PLEASE NOTE:

- ***To sign up for a club, students must first "Join" its Schoology group.*** *Students can do this at any time throughout the school year.*
- ***Students are not committed*** *to one club for the entire year. All are encouraged to participate in multiple clubs and activities that interest them throughout the year.*
- *To ensure all students have an opportunity to participate, they must only sign up for only* ***one club or activity per day.***
- **If students sign up for a club and find out from home that they cannot stay**, contact the advisor to take their name off the list so others can participate.
- ***For a complete list of clubs****, visit the middle school website under the "Clubs and Activities" section.*
- ***In accordance with District Policy 5536, parent/guardian consent for participation in the random alcohol and drug testing program is required for all students attending KRMS after-school clubs and wellness activities. Additionally, students must have all obligations met and be in "Good Standing" with the school's discipline code. Additionally, students will be unable to participate if they have accrued more than 16 absences.***

****If you have any questions, please feel free to reach out to Mr. Dubbs at (dubbse@krsd.us)**

New Club For 2026-2027 School Year

Dance / Step Club: Join the Dance Club to express your creativity and learn new moves! This club is now also taking on Stepping as an artistic opportunity for students of all skill levels to learn choreography and perform. Students will even have the chance to showcase their talents by performing at a few after-school basketball games

MS Clubs and Activities Descriptions

Art Club: Art Club is a space for students to explore their creativity. Students will have the chance to work on their own projects and collaborate with other students on school-wide art projects. We welcome and encourage all new ideas!

Basketball Activity: Join us for some fun and friendly competition at our after-school intramural basketball activity. This is a great opportunity for students to sharpen the skills they learned in PE class and play games with their friends. Teams will be selected each day with the focus on having a great time on the court.

Book & Movie Review Club: Join us to expand your literary experiences and share your passion for reading! In the Book & Movie Review Club, students will read novels from various genres and discuss them in a fun, collaborative setting.
The club meets twice a month for approximately six months. Our goal is to expose you to new books, improve your communication skills, and build a community of readers.

Circle of Friends: Circle of Friends is a program designed to help students meet new people and broaden their social circles. It's a great place to hang out, play various games, and enjoy fun activities with friends. This group meets approximately once a month.

Chess Club: Whether they are a beginner or an experienced player, the Chess Club is a great place to learn and grow. Students will explore the game's unique strategies, helping students to not only play but to think several moves ahead. The club is a place for students to challenge themselves, hone their skills, and engage with a game that has captivated players for centuries.

Community Service Club: The Community Service Club is for students who want to make a positive impact on the world around them. The Community Service Club is dedicated to organizing activities and outreach programs that benefit our school and local community. Through these experiences, their goal is to help students build empathy, independence, resilience, and humility, as they discover how their individual actions can make a real difference in the lives of others.

Cultures Club: The Cultures Club is a fun and interactive way for students to explore the meaning of culture and the characteristics that make up our diverse world. Students will explore different music, ideas, foods, and traditions from around the globe. Students will also have the opportunity to reflect on what makes up their own cultures and the unique cultures of Kingsway Regional Middle School.

Debate Club: The Debate Club is the perfect place for students to explore the art of "organized arguing". If students enjoy discussing current issues, they will feel right at home. In a fun and supportive environment, students will learn the fundamentals of debate, public speaking, and essay writing. The club aims to help every student find their strong voice and improve their presentation skills.

Dragon SPARK: SPARK stands for **Students Promoting Attitudes of Respect and Kindness**. The goal of the Dragon SPARK Club is to promote inclusion, safety, and acceptance for all students on our campus. As a SPARK member, students will be leaders among their peers, representing the true meaning of kindness. Throughout the year, members will have numerous opportunities to lead initiatives that promote a positive and accepting environment for everyone.

Fashion Club: This club is a space for students to freely express their unique styles, explore their creativity, and connect with others who share a passion for fashion. We believe fashion is more than just clothing; it is an art form, a way to express yourself, and a celebration of diversity. Join us to experiment with new trends, learn about fashion history, and discuss the future of sustainable and inclusive fashion. Through design challenges, collaborative projects, and celebrating each other's personal style, the club aims to create a supportive and fun environment where everyone feels empowered to express themselves confidently.

Flag Football Activity: Join us for some fun and friendly competition at our after-school intramural basketball activity. This is a great opportunity for students to sharpen the skills they learned in PE class and play games with their friends. Teams will be selected each day, with the focus on having a great time out on the field.

Future Teachers of America: Are you interested in becoming a teacher? The Future Teachers of America Club is an opportunity to explore the art and science of teaching. This club is perfect for any student with aspirations of a career in education and offers a great chance to learn more about the profession. Students will work on projects within the school community.

Game Club: Game Club is an opportunity for students to engage in friendly competition over a variety of traditional board games. While many of the games require a great deal of strategy, the main goal is to have fun and enjoy some good old-fashioned competition!

KRMS News Club: The KRMS News Club is all about highlighting the exciting events and "happenings" at Kingsway Middle School. Members capture moments from both in-school and after-school activities by taking pictures and writing stories.

Club members will:

- Add stories and photos to the Kingsway website.
- Create a monthly picture presentation to be shown to our Kingsway Community.
- Submit pictures and stories to the local newspaper.
- Assist in producing a monthly newsletter.

Lacrosse Club: This activity is for all middle school students interested in lacrosse from complete beginners to experienced players. It is a great opportunity to learn the basics of the game, practice skills, and play with others who share a passion for lacrosse. All skill levels are welcome!

MathCounts: MathCounts is a club for students who want to challenge themselves with advanced mathematical problems. Students will work on higher-order problems independently and in groups, discovering the embedded connections within each one. The advisor will take a "hands-off" approach, empowering students to deepen their knowledge and problem-solving skills on your own. As the year progresses, students will also have the opportunity to enter competitions.

Middle School Musical: Something spectacular is coming to the middle school stage this spring. We are thrilled to announce our upcoming spring musical production. While the official show title is still under wraps, the search for our cast and crew will begin soon with upcoming auditions. We can't wait to bring a fantastic story to life for our students, parents, and the community. Stay tuned for show announcements and audition details—it’s going to be an unforgettable run.

Pep Band: The Pep Band is designed for our musically inclined students who want to use their talents to create a positive impact on the school. Students will play enjoyable tunes to build spirit and energy throughout the school year. The Pep Band will put their talents on display at four basketball games this year.

Pickleball Activity: Join us for Pickleball. This is a great opportunity for students to put the skills they learned in physical education class to use and have fun playing the game with friends.

Middle School Play: We are excited to announce our upcoming middle school play! Our talented cast and crew will be taking the stage for a special evening performance open to students, parents, and the entire community. Stay tuned for more details—we look forward to seeing you in the audience!

STEM Science Club: The STEM Science Club is a hands-on opportunity to explore science and discover how it applies to our daily lives. Students will learn scientific principles and their practical uses, all while engaging in exciting projects.

Talent Show: Join us for our 28th annual Middle School Talent Show! This is the students' chance to shine and share their unique talents with the community. Whether your talent is juggling, singing, dribbling or acting, we encourage all to come out and perform for an evening of fun for students, parents, and the community.

Tennis Club: Join the After-School Intramural Tennis club for some fun on the court. This activity is for all skill levels, from beginners to experienced players. It is a great opportunity to learn the basics, sharpen your skills, and play with friends in a casual, supportive environment. The focus is on enjoying the game, not organized competition.

Video Production Club: The Video Production Club gives students the opportunity to plan, film, and produce short informational videos. Students will learn valuable tips and techniques for video editing to create professional final products.

Volleyball Activity: Join us for some fun and friendly volleyball after school. This activity is for students of all skill levels who want to play games, practice their skills, and have a good time with friends. The focus is on casual play and fun, not organized competition.

Wiffleball Activity: Come out and join the fun with our after-school intramural Wiffleball activity. It's a low-key, fun way to play a classic yard game with friends. All skill levels are welcome to get in on the action and enjoy some friendly competition.

Yearbook Club: Join the Yearbook Club and be a part of the team that creates our school's annual yearbook. Students will get hands-on experience taking pictures, writing stories, and interviewing students and staff. This is a great activity that provides skills that will be valuable throughout your high school years and beyond.
