Amount of
Additional State
Aid

The commissioner of education shall determine the amount of the additional state aid for OER instructional materials for a district based on PEIMS student enrollment data from the fall snapshot collection of the current school year.

Before PEIMS student enrollment data from the fall snapshot collection of the current school year is available, a district will have an expected allotment amount that is based on 90 percent of the PEIMS student enrollment data from the fall snapshot collection of the previous school year.

Funds may only be used for the costs incurred or for which a district is obligated to pay during the school year in which the aid is provided.

Requisitions

Requisitions for funding must be submitted in TEA's online requisition and disbursement system (EMAT) before August 31 of the fiscal year in which the aid is provided.

OER Transition
Plan

To qualify for additional state aid under Education Code 48.308, the board must adopt an OER instructional material transition plan to assist classroom teachers in the district who will be using an OER instructional material in a specific subject or grade level for which the teacher has not previously used an OER instructional material.

The plan must ensure that OER instructional materials are used in a manner that maintains the instructional flexibility of a classroom teacher to address the needs of each student.

A district that participates in the program developed and maintained by TEA under Education Code 31.0752 is not required to adopt a transition plan under this provision. [See OER Instructional Material Support Program, below]

Education Code 31.0751

The OER instructional material transition plan shall be submitted in a format determined by the commissioner.

A district is required to have a locally maintained OER transition plan that complies with 19 Administrative Code 67.1315 to access funding allotted under Education Code 48.308.

A district is required to submit an OER instructional material transition plan only when:

TEA shall engage in efforts to meet the demand from districts that request assistance for the 2024-25 or 2025-26 school year. Until September 1, 2027, a school district may apply assistance received to offset the payment of costs related to implementing OER instructional material, regardless of whether the district incurred the cost before receiving the assistance.

At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

Education Code 31.104(c), (g)-(h)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. TERM CONTRACTS
NONRENEWAL

DFBB
(LOCAL)

Notice of Proposed
Nonrenewal

After the Board votes to propose nonrenewal, the Superintendent or designee shall deliver written notice of proposed nonrenewal in accordance with law.

If the notice of proposed nonrenewal does not contain a statement of the reason or all the reasons for the proposed action, and the employee requests a hearing, the District shall give the employee notice of all reasons for the proposed nonrenewal at a reasonable time before the hearing.

The Board has chosen to designate the type of hearing for proposed nonrenewals on a case-by-case basis. In the notice of proposed nonrenewal, the employee shall receive notice of whether the Board [see Request for Board Hearing, below] or an independent hearing examiner appointed by the commissioner of education [see Request for Appointment of Hearing Examiner, below] will conduct the hearing.

**Request for
Appointment of
Hearing Examiner**

If the notice of proposed nonrenewal states that the nonrenewal hearing will be conducted by an independent hearing examiner, the employee may request a hearing by filing a written request with the commissioner, and providing the Board a copy of the request, not later than the 15th day after the date the employee received the notice of proposed nonrenewal.

Hearing Procedures

The hearing shall be conducted by an independent hearing examiner in accordance with the process described at DFD.

Board Decision

Following the hearing, the Board shall take appropriate action in accordance with DFD.

**Request for Board
Hearing**

If the notice of proposed nonrenewal states that the nonrenewal hearing will be conducted by the Board, the employee may request a hearing by providing written notice to the Board not later than the 15th day after the date the employee received the notice of proposed nonrenewal.

When a timely request for a hearing on a proposed nonrenewal is received by the presiding officer, the Board shall notify the employee whether the hearing will be conducted by the Board [see Hearing by the Board, below] or an attorney designated by the Board [see Hearing by an Attorney Designated by the Board, below].

In either case, the hearing shall be held not later than the 15th day after receipt of the request, unless the parties mutually agree to a delay. The employee shall be given notice of the hearing date as soon as it is set.

Hearing by the Board	Unless the employee requests that the hearing be open, the hearing shall be conducted in closed meeting with only the members of the Board, the employee, the Superintendent, their representatives, and such witnesses as may be called in attendance. Witnesses may be excluded from the hearing until called to present evidence. The employee and the administration may choose a representative. Notice, at least five days in advance of the hearing, shall be given by each party intending to be represented, including the name of the representative. Failure to give such notice may result in postponement of the hearing.
Hearing Procedures	The conduct of the hearing shall be under the presiding officer's control and shall generally follow the steps listed below: 1. After consultation with the parties, the presiding officer shall impose reasonable time limits for presentation of evidence and closing arguments. 2. The hearing shall begin with the administration's presentation, supported by such proof as it desires to offer. 3. The employee may cross-examine any witnesses for the administration. 4. The employee may then present such testimonial or documentary proof, as desired, to offer in rebuttal or general support of the contention that the contract be renewed. 5. The administration may cross-examine any witnesses for the employee and offer rebuttal to the testimony of the employee's witnesses. 6. Closing arguments may be made by each party. A record of the hearing shall be made so that a certified transcript can be prepared, if required.
Board Decision	The Board may consider only evidence presented at the hearing. After all the evidence has been presented, if the Board determines that the reasons given in support of the recommendation to not renew the employee's contract are lawful, supported by the evidence, and not arbitrary or capricious, it shall so notify the employee by a written notice not later than the 15th day after the date on which the hearing is concluded. This notice shall also include the Board's decision on renewal, which decision shall be final.
Hearing by an Attorney Designated by the Board	The hearing must be private unless the employee requests in writing that the hearing be public, except that the attorney may close the hearing to maintain decorum. If the employee does not request a public hearing, only the attorney designated by the Board, the

employee, the Superintendent, their representatives, and witnesses will be permitted to be in attendance, and witnesses may be excluded from the hearing until called to present evidence. The employee and the administration may choose a representative. Notice, at least five days in advance of the hearing, shall be given by each party intending to be represented, including the name of the representative. Failure to give such notice may result in postponement of the hearing.

The conduct of the hearing shall be under the control of the attorney designated by the Board and shall generally follow the steps listed at Hearing by the Board.

Not later than the 15th day after the completion of the hearing, the attorney shall provide to the Board a record of the hearing and his or her recommendation on renewal.

Board Review

The Board shall consider the record of the hearing and the attorney's recommendation at the first Board meeting for which notice can be posted, unless the parties agree in writing to a different date. The Board shall notify the employee of the meeting date as soon as it is set. At the meeting, the Board shall allow each party an equal amount of time to present oral arguments. The Board shall notify the employee in writing of the Board's decision on renewal not later than the 15th day after the date of the meeting.

No Hearing

If the employee fails to request a hearing, the Board shall take the appropriate action and notify the employee in writing of that action not later than the 30th day after the date the notice of proposed nonrenewal was sent.

Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A “report” is made to an “appropriate law enforcement authority” if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov’t Code 554.002

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov’t Code 554.008*

**Whistleblower
Complaints**

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney's fees, as well as other relief specified in Government Code 554.003. *Gov't Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district's grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district's grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district's grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the timelines established by Government Code 554.005 and 554.006.

Burden of Proof	If the employee brings a lawsuit, the employee has the burden of proof unless the suspension, termination, or adverse personnel action occurred within 90 days after the employee reported a violation of law, in which case the suspension, termination, or adverse personnel action is presumed, subject to rebuttal, to be because the employee made the report.
Affirmative Defense	It is an affirmative defense to a whistleblower suit that the district would have taken the action against the employee that forms the basis of the suit based solely on information, observation, or evidence that is not related to the fact that the employee made a report protected under the whistleblower law. <i>Gov't Code 554.004</i>
Notice of Rights	A board shall inform its employees of their rights regarding whistleblower protection by posting a sign in a prominent location in the workplace. The design and content of the sign shall be as prescribed by the attorney general. <i>Gov't Code 554.009</i>
Right to Report a Crime	A district employee may report a crime witnessed at the school to any peace officer with authority to investigate the crime. A district may not adopt a policy requiring a school employee to refrain from reporting a crime witnessed at the school or to report a crime witnessed at the school only to certain persons or peace officers. <i>Education Code 37.148</i>
Protection for Reporting Child Abuse	A district may not suspend or terminate the employment of, discriminate against, or take other adverse employment action against a professional employee who in good faith: 1. Reports child abuse or neglect to: a. The person's supervisor, b. An administrator of the facility where the person is employed, c. A state regulatory agency, or d. A law enforcement agency; or 2. Initiates or cooperates with an investigation or proceeding by a governmental entity relating to an allegation of child abuse or neglect. "Adverse employment action" means an action that affects an employee's compensation, promotion, transfer, work assignment, or performance evaluation, or any other employment action that would dissuade a reasonable employee from making or supporting a report of abuse or neglect under Family Code 261.101.

Use of Physical
Force

A professional employee may not be subject to disciplinary proceedings for the employee's use of physical force against a student to the extent justified under Penal Code 9.62. This provision does not prohibit a district from enforcing a policy relating to corporal punishment or bringing a disciplinary proceeding against a professional employee of the district who violates the district policy relating to corporal punishment. *Education Code 22.0512(a); Tex. A district may not penalize a teacher who does not follow the pacing of recommended or designated instructional materials or the pacing of the recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher's determination that the teacher's students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

**Instructional
Materials and
Technological

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. & Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. For each regularly scheduled workday on which a non-salaried employee serves in any phase of jury service, a school district shall pay the employee the employee's normal daily compensation [see DEC]. *Education Code 22.006(a), (b)*

A district shall provide a reasonable break time for an employee to express breast milk for the employee's nursing child for one year after the child's birth each time the employee has need to express the milk.

EMPLOYEE RIGHTS AND PRIVILEGES

DG
(LEGAL)

A district shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.

A district shall not be required to compensate an employee receiving reasonable break time for any time spent during the workday for such purpose unless otherwise required by federal or state law or municipal ordinance.

Break time provided shall be considered hours worked if the employee is not completely relieved from duty during the entirety of the break.

A district that employs less than 50 employees is not subject to these requirements, if the requirements would impose an undue hardship by causing the district significant difficulty or expense when considered in relation to the size, financial resources, nature, or structure of the district.

This requirement does not preempt a state law or municipal ordinance that provides greater protections to employees.

29 U.S.C. 218d

**Right to Express
Breast Milk**

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

The district shall develop a written policy on the expression of breast milk by employees under Government Code Chapter 619. The policy must state that the district shall support the practice of expressing breast milk and make reasonable accommodations for the needs of employees who express breast milk.

A district shall provide a reasonable amount of break time for an employee to express breast milk each time the employee has need to express the milk. The district shall provide a place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk.

A district may not suspend or terminate the employment of, or otherwise discriminate against, an employee because the employee has asserted the employee's rights under Government Code Chapter 619. Government Code Chapter 619 does not create a private or state cause of action against a district.

Designated Time for Prayer

The board of trustees may adopt a policy requiring every campus of the district or school to provide students and employees with an opportunity to participate in a period of prayer and reading of the Bible or other religious text on each school day in accordance with this section. [See FNA]

Regardless of whether the board adopts a policy under Education Code 25.0823(a), this section does not prohibit a student or employee of the district or school from participating in prayer or reading the Bible or other religious text during a period of the school day that is not designated as a period of prayer and reading of the Bible or other religious text.

A student who is sent to the campus behavior coordinator's or other administrator's office under a routine referral or a discretionary removal, as described above, is not considered to have been removed from the classroom for the purposes of reporting data through the Public Education Information Management System (PEIMS) or other similar reports required by state or federal law. *Education Code 37.002(e)*

[See DNA for information about teacher evaluations and disciplinary referrals.]

STUDENT DISCIPLINE
REMOVAL BY TEACHER OR BUS DRIVER

FOA
(LEGAL)

	A teacher, campus behavior coordinator, or other appropriate administrator shall notify a parent of a student of the removal of a student from class described above. <i>Education Code 37.002(b-2)</i>
Placement of Student	If a teacher removes a student from class under the provisions above, the principal may place the student in another appropriate classroom, in-school suspension, or DAEP [see FOC]. <i>Education Code 37.002(c)</i>
Conference by Third Day Required	Not later than the third class day after the day on which a student is removed from class by the teacher under the above provision or by the school principal or other appropriate administrator under the Student Code of Conduct, the campus behavior coordinator or other appropriate administrator shall schedule a conference among the campus behavior coordinator or other appropriate administrator, a parent or guardian of the student, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular classroom pending the conference. Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the campus behavior coordinator, after consideration of the mitigating factors (see below), shall order the placement of the student for a period consistent with the Student Code of Conduct. <i>Education Code 37.009(a)</i>
Appeals	A student may appeal the student's removal from class described above to: 1. The school's placement review committee [see Placement Review Committee, below]; or 2. The campus's threat assessment and safe and supportive school team, in accordance with a district policy providing for such an appeal to be made to the team. <i>Education Code 37.002(f)</i> If district policy allows a student to appeal to the board or the board's designee, a decision of the campus behavior coordinator or other appropriate administrator, other than an expulsion under Section 37.007, the decision of the board or the board's designee is final and may not be appealed. <i>Education Code 37.009(a)</i>
Placement Length	The period of the placement may not exceed one year unless, after a review, the district determines that the student is a threat to the safety of other students or to district employees. The student may

not be returned to the regular class pending the required conference. *Education Code 37.009(a)*

Mitigating Factors

The CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct. *Education Code 37.009(a)*

[See Student Code of Conduct, item 4, at FO(LEGAL) for mitigating factors.]

Prohibitions on Activities

The terms of the removal may prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.002(c)*

Note: A power granted to a campus principal under Education Code Chapter 37, Subchapter A may be exercised by the CBC.

Return to Class

The principal may not return the student to the class of the teacher who removed the student without the teacher's written consent, unless the placement review committee determines that such placement is the best or only alternative available and, not later than the third class day after the day on which the student was removed from class, a conference in which the teacher has been provided an opportunity to participate has been held. [See Conference by Third Day Required, above]

Return to Class Plan

The principal may not return the student to that teacher's class unless the teacher provides written consent for the student's return or a return to class plan has been prepared for that student. The principal may only designate an employee of the school whose primary duties do not include classroom instruction to create a return to class plan. A return to class plan must be created before or at the conference described by that subsection. A plan created before the conference must be discussed at the conference.

The commissioner of education shall adopt a model return to class plan for use by a district in creating a return to class plan for a student.

Education Code 37.002(c), (c-1), (c-2)

Return After Assault

If the teacher removed the student from class because the student engaged in the elements of an offense listed in Education Code 37.007(a)(2)(A) or (a)(4) (assault, sexual assault, assault against a district employee or volunteer) against the teacher, the student

may not be returned to the teacher's class without the teacher's written consent. The teacher may not be coerced to consent.

Education Code 37.002(c), (d)

**Placement Review
Committee**

Each school shall establish a three-member committee to determine the placement of a student when a teacher refuses the return of a student to the teacher's class. The committee shall make recommendations to the district regarding readmission of expelled students.

Composition

Committee members shall be appointed as follows:

1. Campus faculty shall choose two teachers to serve as members and one teacher to serve as an alternate member; and
2. The principal shall choose one member from the professional staff of a campus.

The teacher refusing to readmit the student may not serve on the committee.

Education Code 37.003

Right to Appeal

The principal, campus behavior coordinator, or other appropriate administrator shall notify a student who has been removed from class and the student's parent of the student's right to appeal the decision of the committee. [See Appeals, above] *Education Code 37.002(f-1)*

**Removal by School
Bus Driver**

The driver of a school bus transporting students to or from school or a school-sponsored or school-related activity may send a student to the principal's office to maintain effective discipline on the school bus.

The principal shall respond by employing appropriate discipline management techniques consistent with the Student Code of Conduct.
